

NOTICE OF APPLICATION FOR Pardon and Parole of S. A. Voyles

All persons are hereby notified that application will be made to the Governor of North Carolina for the pardon and parole of S. A. Voyles who was convicted at the August Term, 1924, of the superior court of Cherokee County, N. C., for violation of the prohibition laws, carrying concealed weapons, gambling and assault and sentenced by Judge J. B. Ray to be assigned to work on the public roads of Buncombe County or any other county in the state, except Cherokee for a term of 24 months.

All persons objecting to the same will make known their objections to the Governor of the State of North Carolina.

This the 25th day of November, 1924. MRS. ESTELLA VOYLES. (16-2t-pd) Wife of S. A. Voyles.

Miss Della Meroney, who is a student at the Greensboro College for Women, is spending the holidays here.

Miss Ella McCombs, who is teaching in the Andrews graded school, is spending the week-end here with her parents, Dr. and Mrs. W. S. McCombs.

Red Cross Fighting First Aid Battle To Conserve Life

Reliable records establish the fact that more than 75,000 accidental deaths occur every year in the United States. The records show that 206 American citizens are killed every day; that 33 of these deaths are due to automobiles, 25 to falls, 19 to drownings, 16 to burns.

Facing such distressing sacrifice of life is the First Aid Service of the American Red Cross, fighting through education and demonstration to instill a consciousness of safety in the public mind and teaching approved methods which assure that competent hands will care for injured persons until the arrival of doctors. Trained service in the first few minutes is vital in serious accidents and saves many precious lives.

One of the most encouraging signs of the past year is the record of the Red Cross First Aid Insurance Car No. 1 which traveled 9,700 miles along trunk lines, stopping at 137 places. The car's staff of surgeons gave 911 demonstrations to audiences composed of 42,150 railroad men, 71,000 high school and college students, 13,000 industrial workers, 2,000 members of clubs, and nearly 18,000 policemen, firemen, and other municipal employes, a total of 147,000.

Red Cross First Aid certificates were conferred upon 13,865 persons who took the course last year, an increase of 4,000 over 1923. Telephone, gas and electric companies, public service corporations and other large employers of the country adopted the Red Cross course, and their team contests everywhere were witnessed

by huge crowds with as much interest as develops at popular athletic games. In the industrial field the growth of First Aid practice to fight to reduce preventable accidents and unnecessary loss of life has received wide recognition. The promise of an unprecedented advance in this fine cause lies in the evidence of the great strides systematic instruction in First Aid has made throughout the country through the Red Cross Chapters and the work of the experts in this service under direction of the national organization.

Sign the American Red Cross roll this year for humanity's sake.

TAKE YOUR CHPRCH PAPER

It has been said of Dr. George W. Truett that it was from the Baptist papers of his father's reading table that he got a knowledge of Baptist life, which has ever had a charm for him; and it was from these papers that he acquired a love for literature, which habit has made him one of the most widely read men of today. It was from these papers that he caught glimpses of the expanding Kingdom of God and felt the impulse to be in the ranks.

Parents, how can you serve your children better, or render a better service to your church and your God than by getting your children to read good literature, especially to read the publications of your own church press.

WOLF CREEK

Business certainly was "trading" in our burg Sunday. Two or three officers from Tennessee and many from Georgia made a raid the home of Veryl Hyde and father-in-law and found nearly a gallon of whiskey and a big wipe. Veryl and another party were away. It will be remembered that Veryl was tried in our court having three or four gallons of whiskey in his possession, last August and fined \$350 for the same. He carried his father-in-law, Mr. Ledford, to Blue Ridge. It is generally thought that Mr. Ledford is

HOW DOCTORS TREAT COLDS AND THE

To break up a cold over night or to abort an attack of grippe, influenza or throat, physicians and druggists are recommending Calotabs, the new Calomet tablet, that is purified from all germs and sickening effects. Those who have tried it say that it acts like magic, far more effective and certain than the style calomet, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water,—that's all. No nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the rest-packer and thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

nocent, as he has been in poor health and also has been losing his mind for some time.

There was born to Mr. and Mrs. J. H. Simonds Sunday morning, a boy. That makes a family of six girls and four boys. No "race snitch" there.
