Does Your Back Ache? Are Your Kidneys Weak?

AN-URIC IS WHAT YOU NEED!

"I never had anything in my life that helped me like Dr. Pierce's Anuric for weak back and kidney trouble," said Mrs. L. E. Terry of 309 Whaley St., Columbia S. C. (picture above). "At the time I first heard of 'Anuric' I was in bad shape—was under the doctor's care. I never knew what it was to be free from pain and distress. Every night I would have to get up several times so that with the pains and the broken rest I was worn out. Dr. Pierce's Anuric Tablets were recommended to me and brought quick relief, and as I continued their use my bladder and kidneys grew stronger and the pains in my back left me. I consider 'Anuric' so good that I have no hesitation in recommending it to any one suffering from kidney weakness or backache."
