For All The Family. "We use Black-Draught in our family of six children and find it a good liver and bowel regulator," says Mrs. C. E. Nutt, of Mineral Springs, Ark. "I have taken it myself in the last two or three years for indigestion, I would feel dizzy, have gas and sour stomach, also feel a tightness in my chest. I'd take a good dose of BLACK-DRAUGHT Liver Medicine when I felt that way, and it would relieve me, and I would feel better for days. My husband takes it for biliousness. He says he has never found its equal. When he has the tired, heavy feeling, he takes Black-Draught night and morning for a few days and he doesn't complain any more. I sure do recommend Theodor's Black-Draught." Your liver is the largest organ in your body. When out of order, it causes many complaints. Put your liver in shape by taking Black-Draught. Purely vegetable. Sold Everywhere.
