"I was so weak in my back and sides I could not go about. I was too weak to stand up or do any work. I felt like my back was coming in two. I lost weight, I didn't eat anything much and was so restless I couldn't sleep nights. My mother used to take CARDUI For Female Troubles so I sent to get it. I improved after my first bottle. Cardui is certainly a great help for nervousness and weak back. I took six bottles of Cardui and by then I was well and strong. I lost weight, I didn't eat anything much and was so restless I couldn't sleep nights. Cardui helped me so much." Thousands of weak, suffering women have taken Cardui, knowing that it had helped their mothers or their friends, and soon gained strength and got rid of their pains. Many millions of dollars of new capital will have to be found for increasing the capacity of tracks, yards, terminals and shops, and the purchase of cars and engines.
