**IF YOU GET UP  
NIGHTS YOU'RE OLD  
BEFORE YOUR TIME**

**Prostate and Bladder Trouble Makes  
Many Men Feel Twenty Years  
Older Than They Are.**

It is said that fifty per cent of men  
past forty and many younger ones are  
victims of prostate trouble.  
One of the commonest symptoms of  
this dangerous disease which saps vi-  
tality and makes you old before your  
time is the necessity of getting up sev-  
eral times a night.  
Other symptoms are dull, draguey,  
aching at the base of the spine, pain  
in groin, burning sensation of organs,  
lack of vigor and frequent attacks of  
the blues.  
But there is hope for you, no matter  
how old your case, from a wonderful  
new formula. It seemingly brings new  
health, vigor and freedom from these  
troubles to both old and young.  
This wonderful treatment is known  
as Walker's Prostate Specific, and is  
prepared in convenient, pleasant tablet  
form. All you need do is take one tab-  
let after each meal and the symptoms  
soon to vanish like magic.  
To prove these statements the  
Walker Institute, 1636 Gates\* Station,  
Kansas City, Mo., generously offers to  
send a 11 treatment under plain wrap-  
per, postpaid and free of charge to any  
sufferer who will write for it. If it  
cures you tell your friends and pay  
whatever you think is fair, otherwise the  
box is ours.  
Remember that you are the judge,  
and you pay nothing now or at any  
time unless you wish, so send your  
name today before the introductory  
offer is withdrawn. It is good for only  
10 days and guaranteed in every way.

## The Greatest of All HUDSONS at Lowest Prices in History

\$1495 for the Brougham — \$1695 for the 7-Pass. Sedan  
All Prices Freight and Tax Extra

Everywhere Hudson is known as the "World's Great-  
est Buy." That is not alone because of its selling  
price. The value is in performance, endurance and  
low operating cost. Such qualities are outstanding  
long after the price is forgotten.

Hudson prices are lowest because the world's largest  
production of Sixes—Hudson and Essex—has made  
possible economical methods of manufacture. Through  
increase of quality, greater sales result, and volume  
economies that permit lower prices. There you have  
the reason for Hudson's leadership in value, in price,  
in sales.
