STOP THAT BACHACHE!

Many Murphy Folks Have Found the Way

Is a dull, nerve-racking bachache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Thousands recommend Doan's. Read what a resident of this locality says:

W. A. Brown, 13 Wootrow St., Asheville, N. C., says: "When I bent over, sharp pains shot through my back, and mornings, I was lame and sore, I had dizzy spells and, too, my kidneys were weak and out of order and the secretions pained in passage. After using Doan's Pills, I was entirely cured." (Statement given April 20, 1918.)

On January 11, 1922, Mr. Brown said: "I have had no need to use Doan's since they cured me." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

He leaves a wife and three little children, the youngest less than a year old. He leaves three grown up children by a former marriage. All were at his bedside during the most of his last illness. Mr. Carter was 82 years of age. He served in the Federal army during the civil war, and was in receipt of a pension for disabilities incurred during his service. Mr. Carter had many friends, as was attested by the number attending his funeral, which was conducted by the Rev. W. A. Revis of Copperhill, assisted by the Rev. John Morrow. Mr. Carter leaves one brother, The Rev. F. R. Carter to mourn with a great host of relatives and friends.

A CORRECTION

In last week's issue an error occurred in the article about Ross Voyles being shot last Sunday night and who died at the Murphy Hospital Wednesday night. The initials of his father appeared as "E. A. Voyles." It should have been "S. A. Voyles." The Scout gladly makes this correction.

Will Undo Much Evil By Dr. V. M. Pierce

Knowing the vast amount of harm wrought by diseases of the kidneys, and having had opportunity to observe the analyses and the successful methods of treatment in thousands of cases of kidney trouble at the Invalids' Hotel, I have recently given to the public the latest and perhaps most important of the Dr. Pierce home remedies, "An-uric" (anti-uric-acid) Tablets, which I now recommend to those who suffer with kidney backache, irregularity of urination and the pains and disturbances that come from excess of uric acid in the blood.

"An-uric" can be obtained at all the drug stores. The mere drinking of a cup of hot water each morning and a little "An-uric" before every meal should bring remarkably quick improvement. You may have kidney trouble and not know it. The danger signals to be quickly heeded are backache, depression, aches, pains, heaviness, drowsiness, dizziness, irritability, headaches, chilliness, rheumatic twinges, swollen joints, gout. If you desire a trial package, send 10c to Dr. Pierce's Clinic in Buffalo, N. Y., and write for free advice.
