MURPHY LIONS ROAR LOUD ON CHARTER NIGHT

Good Eats, Music and Addresses Feature Occasion—Judge Hastings Presents Charter

The Murphy Lions roared loud and long on Charter Night, Thursday April 23rd, when some thirty-six lionesses, and guests of the local club were participants at a banquet and speaking feast at the Dickey House.

After all had gathered around the tables in the spacious dining room, grace was said by Rev. T. L. Sasser, after which followed the song "America" in chorus.

Attorney Don Witherspoon welcomed the distinguished guests on behalf of the club and the Chamber of Commerce. Judge G. H. Hastings, of Winston-Salem, district Governor for North Carolina, was the principal speaker of the occasion. He spoke at length on the aims and principles of Lionism, and at the conclusion of his address delivered the charter to the local club. President W. M. Fain who was toastmaster of the occasion responded in acceptance. Short talks were made by J. L. Brown, secretary of the Asheville Lions; Jake Weaver of Asheville; W. V. N. Pawelson, of New York; T. L. Sasser, W. W. Hyde, and others. B. W. Sipe, secretary of the local organization, read a telegram from headquarters of Lions International congratulating the local club upon its organization.

After the banquet and speaking, all returned to the lobby and parlor where Misses Menice Payne and Pauline Martin rendered several popular piano and vocal selections.

Among the out of town guests present were Judge G. H. Hastings, of Winston-Salem; J. L. Grown, Jacob Weaver and Chas. D. Pearson, of Asheville; W. V. N. Pawelson and C. Dahl, of New York, President and Secretary, respectively, of the Carolina-Tennessee Power Co.

Following are officers of the local Lions Club:

S. S. Convention Held At Marble

A very encouraging Township Sunday School Convention was held Saturday, April 17th at the Baptist church of Marble.

The program was planned under the leadership of the Valley Town Township president, Mr. J. B. Hall. To his careful preparation is due in large measure the success of the meeting.

Rev. D. H. Rhinehardt preached a helpful sermon on the theme "Opportunity."

The women of the community gave a spread at the noon hour that won the gratitude of all present.

This Township will have a splendid report to make at the County Convention to be held at Bellevue Methodist church sometime during the summer.

Mallonee Endorsed For Judgeship By Democrats

Endorsement given McLean—Delegates named for State Convention

The Cherokee County Democratic Convention, meeting here Saturday at noon, approved by resolution Governor McLean's administration of State affairs, endorsed Attorney J. D. Mallonee, of Murphy, for Judge of this judicial district, and named delegates to the state convention which will soon be held in Raleigh.

The convention unanimously approved Mr. Mallonee's candidacy for judge of the Superior Court and was pleased at the reports brought from the various parts of this and other counties supporting his candidacy. The opinion was general that he would be elected by a large majority.

The resolution follows: "Resolved that this convention endorse J. D. Mallonee for Superior Court Judge from this judicial district; that we recognize in him a man eminently worthy and capable to discharge the duties of this responsible office. We feel that he possesses the proper 'judicial temperament' and is in every way worthy and well qualified to wear the judicial ermine from this district."

Mesdames G. W. Cover and D. H. Tillitt of Andrews and Mrs. A. S. Clarke of Murphy, and Messrs M. L. Mauney of Peachtree, D. H. Tillitt of Andrews and E. B. Norvell of Murphy were named as delegates to the State Convention.

City officials announced this week that a water line was being put down from the city main at the residence of J. V. Barnett into this side of the Factory town section. The pipe which brought water from Cool Springs last summer to the bridge at the L. & N. Station is being used.

County Court To Meet Here Monday

The regular May term of Cherokee County General Court will meet here Monday, May 3rd, according to announcement by court officials this week. A good many cases of importance are to be disposed of at this term, as the regular April term was continued until May on account of Superior Court in session, and quite a few have developed since.

Almond-Topton Section Highway No. 10 Completed

The Almond-Topton section of Highway No. 10 through the Nantahala Gorge, has at least, been completed and opened to the public, it is said.

This is good news, as that section has been a great hindrance to travel for the past year or two, necessitating detouring around by Franklin, N. C., and Clayton, Ga., and back to Murphy into No. 10.

When a few more links have been completed there will be a concrete or covered road all the way from Asheville to Murphy by way of Bryson City.—Bryson City Times.

Woodrow Wilson Birthplace Memorial

As most readers of the Scout know, a monument has been underway for some time, which has for its object the setting up of a fitting memorial of our great war president, at his birth place, Staunton, Va. Various committees have been organized and have been at work. Hon. A. T. Allen, of Raleigh, is chairman, for North Carolina, and the undersigned has been requested to act for Cherokee County.

It is contemplated that the Association of which every subscriber becomes a member, shall acquire the house in which Mr. Wilson was born, repair it in such a way, as that it will be permanent, furnish it in a representative way, and place in it books and periodicals bearing on Mr. Wilson's life and times, that it may become a shrine on the order of Mt. Vernon, to which patriotic pilgrims may journey and receive inspiration.

It is also proposed to acquire the chapel in which Mr. Wilson was baptized. The whole current of the life of this great man was deeply religious and it is entirely fitting that this place of his youth, should be called to the attention of our American youth.

The first public address of President Wilson, after his election, was delivered at Staunton, the place of his birth. His whole life was identified with education, and it thought to be entirely appropriate that a public hall and auditorium should be set up on the grounds of an educational institution, where men may gather to do honor to his memory.

It is believed that there are many of the citizens of Cherokee County who will welcome the opportunity of contributing their mite to honor the memory of this great man. It is requested that all such will send in their contributions by the 8th of June, at the furthest. Please make all checks payable to Hon. A. M. Fraser, National Chairman. Each one who contributes as much as Five Dollars will have his name enrolled

MURPHY BOY WITH U. S. N. IN HOLY LAND

Jack Loyd Visits Pyramids of Egypt and Other interesting Points on Cruise Around World

Jack Loyd, Murphy boy with the United States Navy and on a cruise around the world, recently visited Palestine, writing his father, T. J. Loyd of Warm, N. C., very interesting of his "shore leave" there and at other points. He also visited the Pyramids in Egypt.

His letter, written from Haifa, Palestine, April 8th, follows in part: "Here I am in the Holy Land, having the time of my life. I was ashore last night and had a good time on two dollars. There is nothing much to spend money for like in the other places I have been."

"We are only here for three days in order us fellows may have a chance to go to Jerusalem and Bethlehem. Four of our fellows were victims of an auto accident yesterday morning. No one killed, but very seriously injured. One man is expected to die with back broken. I have been lucky so far."

"I had a good time in Alexandria, Egypt. I went sight-seeing and saw many places of interest while there, such as the Pyramids, Sphinx, and tombs of all the kings of olden times. "We leave here for Mudras Bay, Lemnos Island, Greece. I have never been there before and don't know what it will be like. From there we go to Trieste, Austria, for 25 days; from there to Venice, Italy, after which we will be at sea for 12 days for Grovesend, England. During the summer and fall we will be going to some good ports."

Jack concludes by saying that he expects to take a thirty day leave of absence while in Grovesend, England, and that he wants the Scout sent to him weekly.

Rev. Chas S. Plyler began protracted services at Oak Forest Sunday, which will continue for two weeks.

Mr. Paul Scroggs, who has been seriously ill with erysipelas, is able to be out again, we are glad to report.

Rev. and Mrs. Chas S. Plyler and Miss Bessie West spent one day in Murphy this week.

Mrs. B. F. Cole, 78 years old, better known as "Aunt Sadie," died April 23rd, at the home of her foster son Jasper Green, near Hayesville, of pneumonia, after an illness of only a few days. Funeral services were conducted on the 24th by Rev Plyler at the Hayesville, M. E. Church, and interment was in the churchyard. Aunt Sadie was a good woman, loved by all who knew her, and she will be missed greatly in the community.

Mr. Neal Moore scroggs, youngest son of Mr. and Mrs. Jno. O. Scroggs died at his home here on April 13th, and his body was interred in the old Methodist Cemetery. The funeral services were conducted by Rev. C. S. Plyler from the Methodist Church on the 14th. Mr. Scroggs had been sick for several years, but was convinced to his bed about three weeks ago, from which he never arose. He is survived by his wife and a four year old daughter, Julia Amanda; his father and mother and one brother and two sisters.

The Home Economics class of the high school rendered a very entertaining play, "A Bachelor's Dream," at the auditorium before a capacity house last Saturday night. The play followed a luncheon by the department, and was quite a success. Miss Rachel Ball is in charge of the Home Economics Department.

Unless certification of another ticket for Mayor and board of Alderman has been made to the city clerk Thursday by 6 o'clock, the ticket headed by Frank S. Hill will go into office in the municipal election on May 4th without opposition.

This is the first time within fifteen years that the race for Mayor and Aldermen has not been contested, so say those who know, and until a late hour Thursday no certification of another ticket had been made.

The ticket as nominated at a citizens meeting in the library last week is as follows:

For Mayor: Frank S. Hill, For Aldermen: J. W. Davidson, J. G. Greene, J. W. McMillan, Neal Davidson and B. W. Sipe.

GAINESVILLE TO BE TAKEN OVER BY SHRINERS

Special Train Bearing 1,000 to Unload in City Friday Morning

Gainesville will be the liveliest spot in Georgia on April 30th and that day will be more brimful of "goings on" than any this section of the country has seen in a long time.

At 11:45 in the morning of Friday 30th, a special train will unload 1,000 members of Yaarab Temple, A. A. O. N. M. S., and their friends at the Southern Depot, who are coming here for the purpose of staging one of their big ceremonials. For that one day Gainesville will be given over to the red fez and the bright uniform of the Shrine.

Immediately upon their arrival the visiting Shriners will form a parade and march to the Public Square, where the Patrol will put on a fancy drill for the public-made twice as interesting by their Oriental costumes. A hundred men or more will take part in the drill, which is to be immediately followed by short concerts from Yaarab Temple Million Dollar Band—a sixty piece musical organization of the highest rank, and Oriental Band of thirty pieces.

It would be worth while coming to Gainesville on April 30th just to hear this Oriental Band. You have never heard anything like the weird, Easter variety of music which this band has mastered and will play for your entertainment. It is one of the very few organizations of its kind in the world.

Following the public concert on the square the Shriners will march to Brenau College where in addition to the repetition of the program by the Patrol, an Band the Yaarab Temple Chanters will render a program of popular and oldtime songs. This organization on thirty vocalists is the finest in the South known through out the country as "The South's Sweetest Singers." This concert will be given a Brenau Auditorium and is open to the public.

The feature entertainment will take place at 8 p. m. on the east side of the square, when the Shriners are entertained with a street dance—a dance which it may safely be said is to be unique in the history of Gainesville.

On this occasion Gainesville wants to make welcome all the people of this section and invites them to come and enjoy the unique celebration of the Shriners and their friends. The city of Gainesville has its doors wide open to all people on this day. We especially want you to be with us on Friday for we know that you will never be so thoroughly entertained as you will be on that day by the many fine activities of the 1,000 visiting Shriners.
