Clinic For Crippled Children to Be Held In Cherokee County

A free clinic for the purpose of examining crippled children in six counties, Swain, Jackson, Macon, Clay, Graham, and Cherokee, will be held at Murphy on Saturday May the eighth, under the joint direction of the State Orthopedic Hospital at Gastonia, and the Children's Bureau of the State Board of Charities and public Welfare.

Any crippled children of sound mind, will be examined by Dr. J. G. Gaul, associate surgeon from the State Orthopedic Hospital, in order to determine whether or not they may be helped by free treatment at that Hospital. If they are eligible, they will be placed on the waiting list at the Hospital. No treatment will be given at the clinic, since it is for examination only.

Notices have been sent out from the Orthopedic Hospital asking any who have already received treatment to come in for re-examination.

Miss Elizabeth Smith, county superintendent of public welfare in Cherokee is in charge of the clinic, which is the eighteenth of a series of crippled children's clinics, instituted in 1922, following a survey to determine the number of crippled children in North Carolina.

Special interests is added to this clinic, because of the fact that it takes place in one of the four North Carolina counties in which a demonstration in welfare work is being carried out, with the assistance of funds from the Laura Spelman O. Rockefeller Foundation.

Dr. Edward King, of Asheville, is expected to assist Dr. Gaul in making the examinations.

In Memory

On April 3rd, 1926 Milton McNabb one of Cherokee County's most respected citizens passed to the great beyond.

The life that he lived should be an example to all who are living as his life was one filled with kindness and helpfulness—always true to the words of the poet "Let me live in the house by the side of the road and be a friend to man."

The night was never too dark, the weather too severe or the task too great for him to help his friends. His friends were his acquaintance and associates.

Words are inadequate to express the loss the community and County suffers in the departure of this great freehearted citizen, but God in his great mercy knew best and may his friends remember—"Not my will but Thine be done" and be comforted.

Mr. McNabb was 47 years, 6 months and 15 days old, had spent most of his life near Suit, N. C., and for thirty years had been a mem-

FOUR GERMAN GUNS SECURED FOR MURPHY

Four Machine Guns now on display in Park At Public Square; Mennewerfer coming

City officials this week have placed on display in the park at the public square four German Machine Guns which are proving of much interest to spectators and visitors to the city. The guns are mounted on American made tripods but were manufactured and used by the Germans in the World War.

Mayor Fain also announced that one German 250 mm Mennewerfer on wheels, had been allotted Murphy and is expected to arrive at any day. This gun is known as the howitzer, and weighs 2250 pounds.

These guns were secured from the ordinance department through secretary of War Davis, Adjutant General Van B. Metts, of North Carolina. Application for the guns for Murphy was made last summer by Mayor Fain.

Whitway Posts Being Painted Dark Green

The whitway posts or standards are being given a dark green coat of paint this week by Hyatt Brothers local painting contractors. One coat was applied the first of the week and another will be given the latter part of the week. This will add to the attractiveness of the white way as well as preserve the posts from the ravages of weather and rust.

Nothing has so helped Murphy develop from a town into a real city like the installation of this whiteway.

It makes the city more attractive, is a credit to the city, and a development of which every citizen should feel proud.

The Editor spent the latter part of the last week in Asheville and Hendersonville, and it was very noticeable that the streets of Murphy were wider, better lighted at night, and the parking system much more safer and convenient than the system of these two cities of Western North Carolina.

These two towns are hustling, but they are not as far ahead of Murphy as some would make you believe. It just goes to show that you have to go visiting to really appreciate him.

Tuesday June 1st, Last Day of School—Coastes to make Commencement Address

Plans for the commencement season of the local public schools have been completed, according to an announcement made this week by school officials. Tuesday, June 1st, will be the last day of school. Albert Coastes, Associate Professor of Law at the University of North Carolina has been secured for this address. The commencement sermon will be delivered on Sunday morning, May 30th by Rev. J. T. Mangum of Waynesville.

The Senior Class play will be given Friday evening May 14th. The commencement exercises really began Friday evening with the giving of a beautiful May Day program by children from the intermediate grades under the direction of Mrs. Anna C. Hoover. Following the Senior play of Friday night of next week the music department will give an opera on Friday evening May 12th. On the 28th, which is the following Friday, the Primary Department, will give its exercises. Then on Monday morning, May 31st, the recitation and declamation contests will be held and the seventh grade certificates of promotion awarded. Tuesday evening, June 1st, will mark the final closing of the commencement season and the school year.

There are fourteen members of the Senior class, one of the largest that has been graduated from the local school in several years. The members of the class are Misses Winifred Burns Bertha and Bessie Crain, Pauline Martin, Lella Posey, Nettie Hawkins, Alline Richardson, Flora Stephens and Blanche Teague, and Loren Davis, Herbert McCall, Robert Wells, Frank Walsh and W. C. Pipes.

Senior Class Play To Be Given May 14

The Senior Class will be presented at the school auditorium Friday evening, May 14th at seven-thirty o'clock. The play is a three act comedy woven around college life, entitled, "At the End of the Rainbow." Threads of romance run throughout the play, but this is relieved by college pranks and fraternity initiations. Songs by the high school choir, college yells interspersed throughout the play give it spice, says the press agent of this promising dramatic company composed of the Senior Class of the Murphy High School.

The Thief of Bagdad Coming May 11, 12

The Thief of Bagdad will be shown at the Bonita Theatre on Tuesday and Wednesday, May 11th, and 12th, under the joint auspices of the theatre and Mrs. Kinsey's Sunday school Class of young women of the Methodist Church. Douglas Fairbanks, one of the world's most accomplished actors, will take the leading role as the thief, in what is said to be away and above anything ever shown on the screen. This picture is based on the story of the Arabian Knights. This beautiful, fanciful story breathes the spirit of imaginary worlds, where the usual is usual, where the impossible is possible. But it is not altogether fanciful. As Fairbanks says himself, "The Thief of Bagdad is the story of things we dream about; a tale of what happiness is when we go out from ourselves to conquer worlds of fancy. We set out to win our hearts' desire; we confuse our enemies; we dream ourselves bravely; our success is complete; our reward is happiness."

"I believe that this is the story of everyman's inner self and that every man will thus see it."

"That's the reason I made The Thief of Bagdad."

CARD OF THANKS

We wish to thank our friends and ask God's blessings upon all who so kindly let their sympathy in so many ways during the sickness and death of our loving husband and father.
