Run-Down
gave out easily
"MY health wasn't any account at all," says Mrs. H. L. Cayton, of Washington, N. C. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength, and if I did the least thing it seemed to tax me so I could not finish. I was run-down sure enough. "Several of my friends had taken Cardui and they said to me, 'Why don't you try it?' I knew I needed something to build up my general health and to increase my strength. "Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better. "Two years ago I decided to take it again. It built me up and made me feel like a different person. It is the grandest medicine for women that I know anything about."

Bringing up Children
"MY sisters, my sister-in-law and myself all have families, and for years we have all given our children Dr. Caldwell's Syrup Pepsin. We have recommended it hundreds of times and think it just wonderful, not only to bring up children but for ourselves. At the slightest sign of stomach trouble, colds, constipation and when out of sorts, a dose or two is all they need. Truly, it is a family medicine and the stitch in time that saves nine." (Name and address sent in request.)
Constipation, Colds, Coughs, Fevers and Other Perils of Childhood
One dose and mother's anxiety is lifted. The sickest stomach craves the taste of Syrup Pepsin. From infancy to old age the result is certain. Droopy, listless, feverish children respond as if to magic. Headache, stomach-ache, indigestion, coated tongue, constipation—these are the daily perils for which a host of mothers say Dr. Caldwell's Syrup Pepsin is the safeguard. Sold and recommended by all druggists.
For a free trial bottle send name and address to Pepsin Syrup Company, Monticello, Illinois.
