BROKEN REST
Caused by Bladder Irritation is Nature's Danger Signal.

C. B. Kidney, Ontario, N. Y. says: "Lithiated Buchu has done more for me than all other remedies combined. Some days I had almost a constant desire with a terrible burning sensation. Would be bothered about six times at night. Will tell or write my experience to any one. Don't take astringents for this. You may get the habit or be forced continually to aid nature. Lithiated buchu, (Keller Formula) acts on the bladder as epson salts do on the bowels. Drives out foreign matter, decreases excessive acids, thereby relieving irritation.
The tablets cost 2c each at drug stores. Keller Laboratory, Mechanicsburg, Ohio.

Bilious dull feeling
"MY old stand-by is Thedford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, La.
"I get bilious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but biliousness."
"So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—'full of pep' and ready for any kind of work."
"I can certainly recommend it." In case of biliousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity. Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone. Sold everywhere. Price 25c.
