

Beats Wall Street

Arthur W. Cutten and a half dozen other Chicago speculators have taken more than \$10,000,000 out of Wall Street in the last thirty days. They "played" Baldwin Locomotive stocks and its steady rise in value brought tremendous profits.

MARTINS CREEK

Don't Get Up Night

Nature's Danger Signal Relieved by Man. Wants Others To Know
J. L. Church, Doeville, Tenn. "Had to get up 10 to 12 times each night. Burning was almost unbearable. Much blood and pus. Had no last suits until taking Lithiated Buell's Formula. I feel 100 per cent better. My friends say 'How much better look.' Will tell or write my experience to any one."
Lithiated Buell's cleanses the bowels as epsom salts do the bowels. It is a patent medicine. The formula is on the bottle. The tablets cost 2c per dozen. Keller Laboratory, Columbus, Ohio.
R. S. PARKER, Drug Co.

Announcing—

The Most

Beautiful

CHEVROLET

in Chevrolet History

TRULY the most beautiful Chevrolet in Chevrolet history! Truly an achievement which must immediately change all existing ideas as to what the buyer of a low priced car has a right to expect for his money!

Here is the irresistible appeal of unbroken, flowing body lines—of modish new Duco colors, fashionably striped—of notable smartness—of that flawless silhouette regularly associated with the costliest of custom-built creations.

Here are score after score of advancements in design, literally too numerous to list completely—but typified by one-piece full-crown fenders, bullet-type lamps, coincidental steering and ignition lock and large 17-inch steering wheel.

Here is definite assurance of longer life, more satisfactory operation and even greater economy—for all models are equipped with a new AC oil filter and an improved AC air cleaner!

Such features as these are usually found only on cars costing up into the thousands. They are marks of distinction on the world's finest automobiles. Yet these are now offered on The Most Beautiful Chevrolet because the spectacular growth

of Chevrolet popularity has sent Chevrolet production to tremendous volume—and only the economies of tremendous volume plus inspired engineering make possible the manufacture of so fine a car to sell at Chevrolet prices.

We urge you to come in for a personal inspection. And we ask you to come, not in the customary casual mood—but actually anticipating the revelation you would expect when the world's largest builder of gearshift automobiles announces a completely new line of cars whose truly great value is based on irresistible beauty

and a host of improvements including:
