MURPHY, NORTH CAROLINA FRIDAY, MAY 6, 1927

5c COPY—\$1.50 PER YEAR

LAUNDRY CO. IS INSTALLING NEW EQUIPMENT

Larger Machines Necessary To Take Care of Increased Business Of New Industry

The Murphy Steam Laundry Co. is installing this week new and larger machinery to take care of the increased business which is coming to its doors, it was stated the other day.

The new equipment consists of a 15 horse power boiler, steam ironer, steam presser, larger washing machine, and drying machine. This equipment began arriving last week and is being installed as fast as it comes in.

It was stated that the company would be able to take care of around two thousand dollars worth of business per month now, and is enabled to give twenty four hours service.

Regular routes and schedules are being worked out and will be established for gathering and delivering laundry so that customers will know when to give the work and when to expect its return.

The new industry will establish routes to serve Murphy, Marble, Andrews, Tipton, Robbinsville, Blue Ridge, Copperhill, Blairsville, Young Harris, Hiwassee, Hayesville, and intermediate points. It is the plan of the company to establish these routes and schedules regularly so that farmers and others living along them can avail themselves of the service.

The company does all kinds of work—wet-wash, dry-wash, finished work, dry cleaning, mending, etc.—in fact all kinds of laundry work.

Recently the company purchased the property and buildings occupied by it. This company is composed of local men and local capital, and present indications point to its permanency as a Murphy industry. It was incorporated the first of the year.

The officers are: Dr. Edw. E. Adams, President; W. C. Gathings, Vice President and General Manager; B. W. Sipe, Secretary and Treasurer, with E. P. Hawkins, R. W. Gray, H. G. Elkins and W. M. Fain as directors.

BRASSTOWN SAVINGS AND LOAN ASSOCIATION

The Brasstown Savings & Loan Association closed its first year of business on May 1st. This Association was organized one year ago under the laws of North Carolina, and has had a very successful year. There are now sixty-one members. The total assets at the close of the year was \$552.49. Twelve loans have been granted for the purpose of buying registered cows, pure bred chickens, buying fertilizers, buildings, etc. This Association now has the largest number of Junior members of any Association in the State. The Brasstown Association was the first ever organized in Western North Carolina. It has been a great help to the farmers, as well as being an incentive to the young people to save. It is here to stay. We predict a great future for it, and hope to see many others spring up over the country. Those interested in organizing their community should take the matter up with Miss H. M. Berry, Supt., Savings & Loan Associations, Raleigh, N. C.

CRAWFORD-JOHNSON

Mr. Jewel W. Johnson, of Camel, Ohio, and Miss Elsie Crawford, of Unaka, were married at the office of the Carolina-Tennessee Power Co. on April 30th, Squire T. N. Bates performing the ceremony.

Mrs. Johnson is the daughter of Dr. and Mrs. J. H. Crawford, of Unaka, and Mr. Johnson is the son of Mr. and Mrs. U. H. Johnson, also of Unaka, some of the best citizens of our county. The young people will make their home in Ohio, where the groom has a position. Their many friends wish the pathway of their married life strewn with many flowers of happiness.

Nation to Relief of Mississippi Homeless

More than 300 dead and 200,000 homeless are in the Mississippi, Missouri and Ohio valleys as waters recede on the most destructive river-flood the nation has ever known. Secretary of Interior Herbert Hoover has been assigned by the President to personally direct all relief work as the nation contributes funds. Upper photo is an airplane view of Greenville, Miss., under 20 foot of water. Lower photo a typical tent city which now dot the highlands, St. Louis to New Orleans.

Herbert Hoover

MOTHER'S DAY

A Proclamation Issued by The Governor of North Carolina

North Carolina has put the seal of legislative approval on Mother's Day, which occurs each year on the second Sunday in May and calls for a proclamation by the Governor requesting its proper observance. For me, no duty has been more pleasant than the performance of this obligation. In annually proclaiming this day I have not only complied with the statute but have experienced a sense of solemn satisfaction in being able thus to add my feeble tribute to the greatest of all human beings—Mother.

Mother's Day this year falls on May 8th, next Sunday, and I hereby issue my proclamation, setting it aside as a day on which every North Carolinian is urged to pause and pay reverent homage to the woman who bore him, whether she still lives or has passed to the Great Beyond to join the innumerable throng of Mothers Triumphant. If she still lives, wear a red rose in her honor and show her some special attention; visit her, write her a letter; lay your heart as a tribute at her feet. If she has passed, wear a white rose in her memory and resolve to let this emblem of purity inspire you to nobler living in the future.

There are many lessons in the observance of Mother's Day that it would be well for each of us to learn, the greatest of these being the lesson of love. Every Mother has risked her own life that life might continue on the earth, and many have taken the fear of death out of the hearts of their loved ones by their triumphant entry into "that home not made with hands, eternal in the heavens." They have blazed the trail to nobler living on earth; they have pointed the way to God above. Therefore, let us all render to motherhood the homage that is due it, each making an individual application of the meaning of Mother's Day.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Seal of the State of North Carolina.

Done at our City of Raleigh, this 2nd day of May in the year one thousand nine hundred and twenty-seven, and in the one hundred and fifty-first year of our American Independence.

ANGUS W. McLEAN,
Governor.

Lust—Gold and Flesh—The Motive

This pair Henry Judd Gray and Mrs. Ruth Brown Snyder, charged with the brutal murder—by beating, chloroform and strangling of Albert Snyder, partially deaf husband of the woman, as he slept in a drunken stupor, now face a jury in New York in a case which holds the attention of the nation. The motive, it is charged, was lust for gold—Snyder's insurance,—and undisturbed love. Both have children.

Greatest Marathoner

Clarence Demar, veteran Boston printer who has won his ninth Hub classic and in all nearly 20 marathons, is conceded to be one of the greatest of runners. Right now, he keeps fit by daily running 10 miles to and from work, as he aims for the Olympic next year.

'OAK FARM' TO BE PRESENTED BY SR. CLASS

Comedy-Drama in Three Acts With Specialties Between, on Friday May 13th

On Friday evening, May 13th, the Senior Class of the Murphy High School will be seen in "Oak Farm," a Comedy-Drama in three acts with pleasing specialties between the acts. This is the annual senior Clay Play and is an event that is always looked forward to with keen interest in the spring. It is expected that this will be no exception. Because the days are growing longer, the play will begin at 7:45 instead of seven thirty as has been the case of most public events at the school auditorium during the year, stated school officials.

All who enjoy a story abounding in the essence of picturesque home life with its joys mingled with disappointments, will be pleased when they see "Oak Farm." Cal Hendrix and Ruby McCombs represent the sacrificing father and mother who mortgage their farm that their son, Donald (Frank Ellis) may attend college. Blaine Haney takes the part of the village postmaster, who is a heartless deceiver under disguise. Helen, the sweetheart of Donald, is characteristically represented by Catherine Miller.

There is a rich vein of humor running throughout the story, which is played by Glade Lovingood, Lloyd Hendrix and Rilla Belle Palmer in the love affair of the old doctor and the professor as rivals for the hand of the bewitching old maid, Miss Warner. James Williamson and Jessie McClure, comedy characters, are quite a joke in their youthful love-making.

School officials are anxious that the word be spread abroad and that a good house for this annual event be on hand at the school auditorium on Friday evening, May 13th. A small admission charge will be made to help defray some of the expenses of the school during the year.

A. A. FAIN TICKET IS NOMINATED IN MAYOR'S RACE

Majority Given New Mayor Of More Than 2 to 1—Take Office Thursday Night

The ticket headed by A. A. Fain won out in the election for Mayor and City Council held Tuesday, by the largest majority given any one ticket in Murphy in several years. The majority given Mr. Fain was more than two to one.

Voting was rather light in the morning, only about 150 votes being cast up to noon, but the afternoon activity was considerably livelier. A total of about 450 votes were cast out of 600 registered.

The New Mayor and Council took the oath of office and assumed their duties as city fathers Thursday night. The official vote follows:

For Mayor	
A. A. Fain	300
For Councilmen	
D. Witherspoon	282
F. O. Christopher	273
J. W. McMillan	299
Dennis Barnett	248
A. M. Simonds	276
W. P. Payne	253
For Mayor	
W. M. Fain	144
For Councilmen	
H. G. Elkins	136
G. W. Ellis	191
J. W. Thompson	205
E. E. Adams	159
C. K. Hoover	161
E. P. Hawkins	153

RUSSELL WINS MAYOR'S RACE AT ANDREWS

D. S. Russell was elected Mayor of Andrews in Tuesday's election over his opponents, W. M. Bradley and Dr. J. E. Tidwell, by a large majority. W. D. Whitaker led the ticket for Aldermen.

Soon after the polls opened, Dr. Tidwell withdrew from the race, it was stated.

Those elected as city fathers for Andrews for the ensuing year were: D. S. Russell, Mayor; W. D. Whitaker, W. T. Moore, W. W. Ashe, and T. J. Bristol, Aldermen.

REPORT ON THE BRASSTOWN CREAM STATION

During the past year Fred O. Scroggs has conducted a Branch Cream Station at his store. The first shipment of cream was collected during the first week in May. This shipment weighed 41 1-2 pounds and brought \$3.14. The last week in April of this year closed the first year record. During this week they shipped a total of 308 pounds, bringing a little over \$35.00. The total shipped for the year is 5912 lbs, and brought over \$630.00. They are now shipping around \$125.00 worth of cream each month, and the business is growing each week.

The above amount represents so much money that would have been practically wasted had the folks not had a market of this kind. This cream does not come from persons who are in the dairy business, but from farmers who have a small surplus. At present there are 20 persons bringing in cream in quantities from two pounds up. This cream is brought in on each Tuesday and Friday and is shipped promptly twice each week to The Carolina Creamery at Franklin. The checks for the farmers are mailed from the creamery, and the farmers are now getting 47 1-2 cents per pound for their butter fat.
