

Annual Decoration At Shady Grove on 30

The people at Shady Grove Church and Community are looking forward this year with a great deal of pleasure to what we might say their annual Home Coming and Decoration, when the many friends and relatives will meet on the 30th of May to decorate the graves of their loved ones, and enjoy social pleasures with those they have not seen for a long time. Shady Grove is an old community and a very large Cemetery. The people will meet on the 24th of this month to clean off the cemetery. We suggest that all who come and stay will bring dinner and remain on the ground as we hope to have a nice entertainment.

Rev. Dr. Clatts D. D., of Cooper Hill will preach at 11 o'clock; decoration at 2:30. We hope to have

some nice music and other entertainments.

Feel Tired and Achy?

Too Often This Warns of Sluggish Kidneys.

LAME? Stiff? Achy? Sure your kidneys are working right? Sluggish kidneys allow waste poisons to accumulate and make one languid, tired and achy, with often dull headaches, dizziness and nagging backache. A common warning is too frequent, scanty or burning excretions. Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of bodily waste. Users everywhere endorse Doan's. Ask your neighbor!

5 years of service
is only a starting point
for BUICK-- Skilled engineering
and rugged construction make it
the most durable of motor cars!

Keep in mind when buying your new car, that more than three-quarters of all the Buick cars produced in the last twenty-five years are still serving their owners.

Buick endures—Buick stays young—Buick stands up and gives its best over a longer period than any other car—because it is endowed with an extra-rugged double-drop frame—Buick's world-famous Sealed Chassis and Triple-Sealed Engine—and the most nearly perfect oiling system ever developed—

You'll prefer Buick because it leads in beauty and luxury: and you'll prefer it, too, because it is the most durable of cars—and therefore the most paying investment.

All Buick models have Lovejoy Hydraulic shock absorbers, front and rear, as standard equipment
