BRASSTOWN

Honor roll of Brasstown School: First grade, Weaver Hogan. Fifth Grade, Blanche Scroggs. Sixth Grade, Bert Hogan and Hoyt Waldroup. Seventh Grade, Bob Scroggs.

Enrollment during the month of September 34, and an average of 29.10.

The fifth, sixth, and seventh grades plan a chestnut hunt to one soon. More and more children should be given the opportunity to go on picnics and view the forests and nature at this time of year.

Uncle Bent Mason has been very low for the past two weeks. There seems to be an epidemic of flu going over the country at this time of the year.

Wayne Carringer, bus driver for the Brasstown High School pupils, came home yesterday after having driven the pupils to Murphy. He was feeling bad and complaining of a headache and cold. We hope he doesn't have pneumonia.

Mr. Fulton Cunningham, Mrs. Cunningham, and Mrs. Cunninghams sister came from Services Sunday and took dinner with Mr. Sam Carringer's. Also Mr. Bass Duvall and family, of Ogden, took dinner with them.

Mr. Herschel Platt and family, Mr. Harve Carringer and family, of Ogden, N. C., took dinner with Mr. Howard Hall and Mr. Henry Carringer Sunday.

364 New Locomotives

31,000 New Freight Cars

266 New Passenger Train Cars

\$80,000,000 for New Equipment

NEW engines and cars purchased by the Southern Railway System since 1920 have cost \$80,000,000. The 364 new locomotives, 31,000 new freight cars, 266 new passenger train cars, which have been added to Southern equipment during the past eight years are an indication of the extent of the improvement program that has been carried on steadily for years.

The millions of dollars spent in the South each year by the Southern for materials, supplies, and new equipment provide a strong stimulus to Southern prosperity.

SOUTHERN RAILWAY SYSTEM

Laid in a network across the South; linking together nearly every important Southern community, the Southern serves that territory east of the Mississippi and south of the Ohio and Potomac as perhaps no other area of equal extent is served by any single railroad system.

THE SOUTHERN SERVES THE SOUTH
