MUSIC—MUSIC!

No Christmas is complete without Music. This was one of the things heard by the Shepherds who watched their flocks by night when the tidings of the Saviour's birth was made known to them. Music had its place in the announcement of the first Christmas, and should have its place in the home life. We have the famous Baldwin Pianos, Victrolas, Grafanolas, and Radios. You will find nothing but the best in our stock. Let us talk to you about anything you may need in this line. We are in position to offer terms on musical instruments.
