GIANT ALUMINUM TWIN CHICKEN Roaster

This is the first time this wonderful Giant Twin Chicken Roaster has ever been placed before the American public.

It holds two delicious 6 lb. chickens, roasting them to a king's taste for holidays or other occasions when the family is large.

It is made of finest hard pure aluminum and a limited number will be sold at the unusual price above to secure quick distribution.

This is the most popular item we have ever sold and it seems almost incredible that it can be offered at this low price.

Stansbury Is Under Bond For Hitting Davis Sunday Night

Wiley Stansbury is out under \$200.00 bond for hitting Everett Davis on the head with a rock at Marble last Sunday night.

The two men were said to have been friends a few moments before the fracas, in which Stansbury struck Davis with a rock, and no reason was given why they had a misunderstanding, other than it was thought that they had been drinking.

Davis was knocked unconscious for about three hours, but was said to be up and about the house Monday morning.

Stansbury made his getaway but was apprehended sometime later that night at Andrews. He waived preliminary hearing and was bound to Superior court under bond of \$200, which he made.

They are about 20 years old.

OVERLOOKING THE HORSE

SHOOTING FIRECRACKERS

Mayor Cooper asks that the attention of the people of the community be called to the fact that no shooting of firecrackers will be allowed upon the streets of Murphy, but that the city council ruled that as long as the shooting of fire crackers was confined to your own premises and not on the public streets no one would be molested. However, the officers have been instructed to prefer charges against anyone caught shooting them on the public streets.

He also said he hoped everybody would have a good time, not violate any ruling of the board, not get hurt or start any fires, or do anything else that would warrant a further curtailment of this privilege.

10 1/2 Million Dollars

for Additional Improvements

Again the Louisville & Nashville Railroad has gone to market in order that it may maintain its property up to the standard which has always characterized the "Old Reliable." This large sum includes an appropriation of \$7,500,000 for 24 new heavy locomotives, 1450 coal cars of giant capacity, 750 automobile cars, 300 box cars, 12 modern passenger coaches, 6 baggage cars, and 4 splendid all-steel dining cars, all of which are scheduled for 1923 delivery.

In addition to this equipment, 65,000 tons of 100-lb. rail, at a cost of \$2,700,000, have been ordered, the delivery to begin at once.

The placing of these substantial orders should be encouraging to the people of the L. & N. served territory in view of the fact that it evidences the Company's confidence in the states it serves, a confidence further accentuated by the fact that during the first nine months of 1923 the Company actually expended for new improvements a total of more than \$9,250,000 and has authorized and outstanding an additional \$7,500,000.

The recent appropriation of \$10,500,000, therefore, makes the aggregate amount of work authorized and outstanding nearly \$18,000,000. Many dollars of these appropriations will find their way into the territory in which this newspaper is published.

Bring On The TURKEY

After the soup and after the fish—with all the cranberry sauce and other fixin's, comes—TURKEY! Well worth waiting for all year, if you have it the way our chef prepares it.

Make Christmas Day a holiday in your kitchen, too. A family dinner here will cost you less than if you took all the trouble yourself.
