## PARKER'S DRUG STORE INSTALLS NEW SODA FOUNTAIN

Latest Frigidaire Refrigeration Type With Luncheonette Equipment

Parker's Drug Store, the Rexall Store of Murphy, owned and operated by Dr. Richard S. Parker, installed this week a new eighteen foot soda fountain equipped with the latest type of Frigidaire refrigeration system. The fount is also equipped with a luncheonette and Dr. Parker is now prepared to serve hot and cold lunches besides all the popular creams and soft drinks.

The fountain is of Tennessee pink marble, with Onyx trimmings, and baseboard of Verde Antique Marble. It is a very beautiful design and gives considerably more room for Dr. Parker's large fount business. It has been placed so as to face the street and front entrances instead of facing the side as did the old fount.

A new case counter, glass top, Tennessee Pink Marble base, and Verde Antique Italian marble baseboard, has also been added, together with a mahogany-fount back twenty-seven feet around, and fitting into the center arrangement of the fount proper.

Dr. Parker plans to cut out the floor base of the two front show windows and install two booths equipped with oblong Sani-Onyx tables and two two-seated benches on either side. This work will be done at the earliest convenience.

Dr. Parker is to be congratulated on the installation of this new and modern equipment, and to enter his store now gives one the impression of stepping into Tom Pitt's Place, on Five Points, Atlanta. It is also a manifestation of his progressiveness and desire to render the best possible service to the public of Murphy ad this section.

### A CORRECTION

In an item in the local column of this paper two weeks ago the name of Cyrus Witt was given instead of Cyrus White in the item stating that a number of boys and girls went to Cullowhee. The names were inadvertently mixed, and Mr. Witt states that he spent the day at home with his family. The Scout regrets this error and correction is gladly made.

## ANOTHER BIG EXTRA VOTE OFFER IN EFFECT DURING THIS WEEK

Hard Workers Now Will Be The Winners At The End—Offer Is Short—Another Big Cut After Next Saturday Night.

### E. A. SAVAGE ANSWERS LAST CALL MONDAY

Was Ninety-one Years Old, Civil War Veteran, and Was Well Known In This Section

E. A. Savage, 91 years old, affectionately called and better known to his friends as "Grandpa," died at his home at the Regal Hotel Monday night, April 22, at 11 o'clock, after an illness of a little more than a week.

Grandpa, with Mr. and Mrs. A. J. Burns, had returned from Florida about three weeks ago. He was taken suddenly ill on the night of April 12th and relapsed into a state of semi-consciousness and remained in that condition until the end came. Heart trouble is said to have been the cause of his death.

Before leaving Florida, Grandpa seemed to have a premonition or warning that the evening sun of his life was about to set, as he told his daughter and husband, Mr. and Mrs. Burns, that he wanted to come back to North Carolina and home to die, and he felt that the end was approaching.

Grandpa Savage was a faithful member of the Methodist church for about sixty years, and was possibly the oldest citizen of the county, being 91 years, five months and twenty-five days old.

He was a Confederate veteran, having volunteered at the beginning of the Civil War, and served with distinction in the 21st North Carolina Regiment. He participated in the battles of Bull Run, Gettysburg, and other battles of the campaign of Virginia, Maryland and Pennsylvania. He was once wounded and later captured in the battle of Petersburg, Va., and remained a prisoner of war until the cessation of hostilities.

Mr. Savage was born and reared in Stokes County, N. C., and had been a citizen of Murphy for the past fifteen years. He was married in 1866 to Miss Charlotta George, and to this union was born nine children, viz: Mrs. Laura Silver, Tacoma, Wash., C. W. Savage, Murphy, N. C., Dr. Frank Savage, Hatch, New Mexico, James T. Savage, Coeburn, Va., deceased, W. A. Savage, Murphy, N. C., Mrs. Nannie Gunderson, Tacoma, Wash., Charles P. Savage, Tacoma, Wash., Mrs. Lizzie Burns, Murphy, N. C., and Walter G. Savage, Chihuahua, Mexico.

Funeral services were held Wednesday afternoon at 2 o'clock at the Methodist Church by Rev. Howard P. Powell, pastor of the Methodist Church, Dr. J. P. Anderson, pastor of the Presbyterian Church, and Rev. I. L. Steele, pastor of the Baptist Church. Interment was in Sunset cemetery.

The pall bearers were: Active W. D. Townson, D. V. Carringer, P. C. Hyatt, W. M. Chester, H. C. Elkins, E. C. Mallonee, T. S. Evans, Honorary A. McD. Harshaw, R. M. Fain, R. H. Hyatt, J. B. Rector, T. N. Bates, R. R. Beal, K. V. Weaver, C. B. Hill, local undertaker, was in charge.

Mr. J. W. Goodman, of Asheville, district extension agent for western North Carolina, and Mr. J. M. Gray, formerly with the Agricultural Extension Department, but now with the Chilean Nitrate Company, were visitors in Murphy the latter part of last week.

There is another liberal extra vote offer in effect this week. 240,000 extra votes in addition to the regular schedule of votes will be credited for each and every \$30 worth of subscriptions turned in this week. This offer is short, lasting for this week only, and the drive members will have to "work fast" in order to take fullest advantage of the offer.

Although it is not quite as large an offer as was in effect up until last Saturday night it still affords a wonderful opportunity to amass thousands of votes before the big votes are discontinued. And the "wise" members of the Circulation Drive will be "sawing wood" this week instead of spying and sleuthing to see what the "other fellow" is doing. As never again during the life of the Circulation Drive will subscriptions count as many votes as they will this week. Subscriptions that "the other fellow" gets will count you no votes, neither is there any votes issued for sleuthing, and trying to learn how many votes another Drive member has. But the ones that go after them while the biggest votes are in effect and does not pay so much attention to the votes that the "other fellow" might be getting will be the ones who will within a very short while carry away first honors and the biggest prize.

**Subscriptions Plentiful**  
Members should not make the serious mistake of thinking that all the territory has been canvassed. The field has only been scratched. Many people right here in Murphy have not yet been approached for their subscriptions. While only a very small percent of the people of the county have subscribed or been asked for their subscription. And the members who go after them with "hammer and tongs" while the big votes are going and see to it that they have a good turn-in Saturday night will no doubt be the winners when the voters are counted. As has been explained to every contestant the Circulation Drive is planned out on a fast declining vote schedule. This plan will not be varied from in the least, and under no condition will a voting opportunity be prolonged or the plan varied from in the least. And to each member it is the advice of the management to work hard now while the votes are big.

### S. B. (BUD) RHEA DIES IN NEW MEX.

Word was received here several days ago that S. B. (Bud) Rhea, of Deming, New Mexico, former citizen of Murphy, and only brother of Mrs. Allie Bell and Miss Mary (Sis) Rhea, of Murphy, died at his home on April 13th, and was buried on the 14th.

Mr. Rhea would have been 72 years old on May 3rd. He had been in the west for more than forty years, and had only made one trip back to this section since going away. He suffered a stroke of paralysis shortly before his death.

He is survived by his wife and son, Alfred Rhea, and adopted son, Albert Rhea; three sisters, Mrs. Dora Hubbard, of Dallhart, Texas, Mrs. Allie Bell and Miss Mary Rhea of Murphy.

Mr. Rhea will be pleasantly remembered by the older residents of the town, and the many friends of Mrs. Bell and Miss Rhea extend to them heartfelt sympathy in their sad hour.
