To Teach In Murphy Schools Next Year

A. B. Scroggs, Science teacher in the Hayesville High School for the past two years has been elected principal of the Murphy High School. He will take up his duties there when school opens this fall. White Mease, son of Mr. and Mrs. C. Mease, who taught in the EHF school last year has been elected on the faculty of the Murphy school.

Engagement Of Miss Ethel Walker Is Announced Here

Sister Of Mrs. Freel To Wed Edward K. Slagle of Orlando, Fla.

Of interest in social circles of Western North Carolina is the announcement of the engagement and approaching marriage of Miss Ethel Walker, daughter of Mrs. George Walker and the late Senator Walker, of Andrews, to Mr. Edward E. Slagle, of Orlando, Fla. The news of the engagement was disclosed at a buffet supper given by Mr. and Mrs. C. S. Freel brother and sister of the bride-elect, at their home here Thursday when a few close friends were assembled.

Miss Walker is a member of the faculty of the David Millard high school. She has a charming personality and a sincere and unassuming manner. She is a graduate of Queens College, Charlotte, has also attended Columbia University at New York City, and the University of California and has traveled abroad extensively.

The bride-elect comes from one of Western North Carolina's most prominent pioneer families. Her mother is a member of the Democratic State executive committee and served for several years as county vice chairman. Her father the late Senator Walker, whose constructive work in the upbuilding of this section of the state is well known to those identified with Western North Carolina. Her grandmother, Margaret Scott Walker, a relative of General Winfield Scott, was prominent in pioneer days in her native county.

Mr. Slagle received his education at the University of North Carolina. He is a prominent business man of Orlando, Fla., benign proprietor and treasurer of the Walk-Over store of Orlando and Miami.

The marriage which is scheduled to take place in the early summer, will be a simple service attended only by relatives and close friends. The couple will reside in Orlando.—Canton Enterprise.

NEW CAMPS BUILT AT LAKE CARROL

In the development and improvement of the Lake Carroll property by the owners Messrs. Frank Herbert and Ed Curtis, two additional camp houses have been completed. This now gives three nice comfortable buildings for campers on the property. These buildings are located and constructed so that they make an ideal place for one who loves to camp in the woods by swift running streams. Near one of the camp buildings has been constructed a nice bathing pool. The water supply for this pool rushes down over huge rocks for a distance of 100 feet or more and is clear and cold. A natural shower bath is afforded at this place where the water dashes over the rocks.

Numbers of people have taken advantage of the good fishing to be had at the lake. Bream and bass are the fish to be caught.

Mr. Harry Ferguson returned to Indianapolis, Ind., Monday after spending a few days with his wife at the home of her parents, Mr. and Mrs. T. S. Evans.

BODIES OF THREE VICTIMS IN CRASH ARE TAKEN HOME

Two Men And Woman Meet Death In Plane Near Wilmington

WILMINGTON, June 9.—Bodies of Colonel John A. Hambleton of Baltimore, and Mr. and Mrs. J. Von Der Heyden of Flushing, L. I., killed in the crash of their monoplane near New Hanover county airfield yesterday, tonight were being taken to their homes for funeral services and burial tomorrow.

The body of Colonel Hambleton, who was vice president of the Pan-American Airways Corporation and of Hambleton and Company, Baltimore bankers, was accompanied to Baltimore by his widow and her father, George B. Elliott of Wilmington, president of the Atlantic Coast Line railroad.

The bodies of Von Der Heyden and his wife are to be received in New York tomorrow by his father, L. F. Von Der Heyden. The younger Von Der Heyden was a director of sales promotion for the Consolidated Instrument Company of New York, which owned the plane in which the three crashed.

Colonel Hambleton was on his way here to join his wife, who was visiting her parents, when the accident occurred. Observers at the airport said the plane suddenly went into a nose dive from a height of 100 feet. Whether Colonel Hambleton or Van Der Heyden was piloting the ship was unknown. Both were experienced pilots and the plane had dual controls.

(Ed. Note—Colonel Hambleton, referred to in this article was at one time interested in the old Whiting Company, later the Cherokee Lumber Company, and now the Tri-County Lumber Company. His interest and the interest of his company, Hambleton and Company, were sold to the Tri-County Lumber Company some time ago.)

Baptist Sunday School Convention At Andrews On Fifth Sunday In June

The Western North Carolina Baptist Sunday School Convention will meet with the Andrews church on the fifth Sunday in June, which is June 30th, according to announcement this week by General Superintendent W. A. Adams.

The B. Y. P. U. will meet and hold session jointly with the Sunday School Association, holding their meeting before the Sunday School. The meeting starts at 2 o'clock Central time.

Dr. Madry, corresponding secretary of the State Mission Board, will address the convention, and a number of other State workers are expected to be in attendance.

Mr. Adams urges all the workers and superintendents of the Association to be in attendance, as Dr. Madry will have a message of vital importance to Baptists in this Association.

This meeting will be held prior to the Baptist meeting at Ridgecrest, which opens on Monday following the Andrews meeting.

CHEROKEE JOINS IN FISH LICENSE MOVE

The announcement that Cherokee county has adopted the fish license resolution of the new Anglers Association, passed by the recent general assembly, makes Western North Carolina 100 per cent in the work of restocking the streams and in the regulation of fishing. There are 32 counties cooperating at the present time and others are expected to join in the work.—Asheville Citizen.

Murphy Takes Game From Blue Ridge; Loses To Young Harris

The Murphy baseball aggregation walked away with a game here last Saturday with Blue Ridge, the score being 7 to 2 in favor of Murphy.

Tuesday afternoon the Murphy team came out with the small end of the score in a fast game with Young Harris, the score being 7 to 6, in favor of the Georgia boys.

Saturday afternoon the Murphy and Andrews teams will meet on the Murphy diamond and this is promised to be one of the best games of the season.

On the Fourth of July the Murphy team will play the Cherokee Indians on the local field.

The following clipping taken from the Bulletin of Missionary News, published by the Woman's Section, Board of Missions, M. E. Church, South is of interest in as much as it shows that ALL the women of the church are interested in the Missionary Society:

Miss Leila Epps, who is giving her time to helping our Missionary Societies in Brazil sends a most interesting report of a society at Igarapara in the Central Brazil Conference. Igarapara is an Indian word meaning "where the boat stops." Here every member of the Church is a member of the Woman's Missionary Society; there are twenty-four members, and twenty of these are active. The president is the wife of the denot agent; the vice president the wife of a local preacher; and the recording secretary is a teacher in an important school. The Methodist Church is small, but the people who belong are highly respected in the community. It is said that this is the result of the influence of one woman, D. Dede, who has lifted high the standard of Christianity and Protestantism.

The meetings of this society are held monthly after the Wednesday evening prayer service. They are always held in the church, and visitors often attend. There is a children's society having a membership of twelve and a baby division of fourteen members. Miss Epps says of this visit: "It was, indeed, a satisfying visit with these Christian women who are eager to learn better to live on this world. The joy of being with the district secretary to visit in eight different homes. It was good to be there."

LEGION TO HAVE JULY 4 PROGRAM

The American Legion will sponsor a program of field day sports and two baseball games at Murphy on July 4th, in co-operation with the Boy Scouts, Lions Club and the local Baseball Club.

The field day sports will be held in the morning between the Boy Scouts and the Lions Club, the Scouts having challenged the Lions to a number of athletic stunts. A game of baseball between the Cherokee Indians and Murphy will take place at 2 o'clock in the afternoon. The Indians will also play a real Indian ball game.

A tentative program is being worked out by the Legion, and no doubt other features will be added as the plans for the celebration develop.

The Legion is looking forward to a big day on the Fourth, and are asking that their friends come to town and help enjoy the fun.

This week I am going to visit in Olympia."

Probably the most important work being done by the Woman's Missionary Council is that of giving help and encouragement to women of other lands as they learn how to serve in the Christian Church. They are as timid and hesitating as were our own women sixty years ago. This is a real working together.

LOG CABIN BUILT BY BOY SCOUTS

The Boy Scouts of Murphy, under the direction of Rev. Howard P. Powell, Scout Master, and Dale Lee, Assistant, have erected a log cabin on top of the hill across Lake Midway.

The Scouts erected the cabin this week—cut all logs, peeled and hewed them. The roof was put on the building Wednesday, the doors and windows are expected to be cut and the building floored by the latter part of the week.

A corner stone laying was held at the site of the cabin when its construction was started, and the speakers included Mayor Harry P. Cooper, Lion President W. M. Fain, Mrs. Warren, Welfare Superintendent, Rev. Powell and two Girl Scouts, Edna Patton and Grace Bell.

The Girl Scouts and mothers of the Boy Scouts served dinner a la picnic style one day this week, and the Scouts claim that it was "sum dinner."

The site of the cabin was donated by Hampton Brothers, who also donated the logs and the services of a team for logging purposes. The lumber in the building was donated by Cooper and Davidson. The cracks of the cabin will be filled with cement, and W. M. Fain Grocery Company donates the cement.

The boys will clean off and beautify the quarter acre lot of the cabin, setting out shrubbery and flowers, and lining the walks and driveway with pebbles.

The Scouts have challenged the Lions Club for a contest of athletic feats and stunts on July Fourth, and the Lions have accepted.

NEWS BRIEFS

The Yellow Bird, the French airplane and its three French aviators with their stowaway, an American youth, landed safely in northern Spain Friday night after a non-stop flight from the United States. The French men were forced down within 150 miles of their native land when their gas supply gave out. The aviators continued their flight to Paris Sunday where a warm reception was waiting for them. This was the first French airplane to cross the North Atlantic in either direction. Arthur Schreiber, stowaway was blamed for reaching its goal. He was warmly received by the French people, although he had endangered the lives of the airmen in his daring feat.

BRYSON CITY, June 15.—Effie Davis, 18 year old daughter of Charlie Davis, confessed here today the killing of her father. She said that she fired three shots into his head after he had threatened her and other members of the family with a knife. She and her two sisters placed the body in a boat and rowed to the middle of Cheoah Lake on the Little Tennessee River, where they eased the body into the water and saw it quickly sink out of sight. A sack of rocks was used to weight the body down. The girl will be tried during the term of Swain County Superior Court beginning July 27.
