Six Thousand Pounds of Poultry Loaded In Week

Mr. Eller, of the Farmer's Federation, loaded more than six thousand pounds of poultry here Tuesday, and stated that this was the best lot of poultry he had shipped out of Murphy this year. During the past four weeks the Farmer's Federation has bought \$8,455.55 worth of poultry through the W. M. Fain Grocery Company, besides what has been bought at the car.

The poultry business in this section is getting to be one of the biggest industries, and taking the above figures as an average, gives returns to the poultry growers of more than \$75,000.00 a year, through one wholesale house alone.

Coleman's Sales Record Takes Second Prize

Mr. and Mrs. Walter Coleman attended the meeting of the Frigidaire Sales Convention at Spartanburg, S. C., last week. Mr. Coleman is Frigidaire dealer at Murphy, and since taking the agency the first of the year he has made an unusual sales record. He won second prize in a contest conducted among Frigidaire dealers in North and South Carolina over a designated period. Mr. Coleman's record was 334 percent of his quota. The first prize was also won by a Western North Carolina dealer, Fred Martin of Waynesville. Before returning to Murphy, Mr. and Mrs. Coleman attended a convention of radio dealers in Asheville.

The field day events between the Lions and Boy Scouts, from a challenge of the Scouts, on July Fourth, at Cherokee Park came up for some discussion. Lion Hawkins, who was in charge for the Lions was absent, but sent word that business called him away and he would be out of town on the Fourth, and Ed. Adams and Roy Steele were appointed to take his place.

FIELD DAY EVENT IN MORNING BETWEEN LIONS AND BOY SCOUTS

The American Legion is planning a field day program here on the Glorious Fourth in cooperation with the Boy Scouts, Lions Club and local Baseball Club.

In the morning the program calls for a field day event between the Boy Scouts and Murphy Lions. The Scouts challenged the Lions to a number of athletic events, and the program promises to be one of the most interesting stunts yet pulled in Murphy. The Boy Scouts are training, and are going out after the Murphy Lions with blood in their eyes.

The tentative list of events as announced includes 100 yard dash, 220 yard dash, quarter mile run, half mile run, mile run; standing broad jump, running broad jump, standing high jump, running high jump, horse shoe pitching contest, three-legged race, chinning the pole and sling-shot throwing.

Indian Ball Game

In the afternoon, a game of baseball is scheduled between the Murphy team and an Indian team from Yellow Hill, following which the Indians will play an Indian ball game as played by the Cherokee Braves before the white man invaded their realm and introduced more milder games. The Indian ball game is expected to be one of the best events of the day, and is said to be very strenuous and rough.

The Legion invites all the people of this and surrounding country to come and have a big time with them on the Fourth of July.

LIONS CLUB NOTES

The Club met in regular banquet at the Regal Hotel, official Lions Den, Tuesday night, May 25th. There were a good number of members present, but for some reason or other a number of plates of chicken—fried chicken—had to go lacking for claimants.

President Fain reported that Mr. J. W. Gillaspie and Mr. J. A. Polard, of the J. W. Gilaspie Company, tomato canners, who are establishing a plant at Murphy, spent several days in town last week, and while here made an inspection of the building and acreage. They were well pleased with the condition of the tomato crop and the bean crop, and stated that the prospects here looked even better than a number of their other canning territories. They also expressed themselves as being highly pleased with the location and building being erected by W. M. and Porter Fain in the ice plant section. The building is expected to be completed by the latter part of this week, and the machinery has been in town for several months.

It was reported that Mr. R. H. Wilson, of the L. & N. railway company, spent several hours in town and talked with a number of local people relative to a contemplated expansion program of that company in Murphy. UNCLE PINKNEY BATES PASSES ON JUNE 16TH

Pioneer Citizen Of Cherokee County Dies at Age of Eighty-three

J. F. Bates, better and more affectionately known as "Uncle Pinkney" Bates, died on June 16th, at his apartment in the Wells House, after an illness of only a few days. Uncle Pinkney had been in good health up until a few days before his death. He ate something that upset his stomach and caused diarrhea and because of his age and feebleness he was not strong enough to overcome it.

His son and daughter, Bob Bates, of Tellico Plains, Tenn., and Mrs. Georgia Bates Keith, of Knoxville, were called to his bedside, and all that loving hands and lifelong friends could do was of no avail.

Mr. Bates was prominently and well known in this county, in which he was born and reared. For many years he was in the merchandise business in Murphy, and also was a progressive farmer. Several days before his death, he told his friends that he was ready for the last great call and prepared to meet his Master.

Funeral services were held at the Hangingdog Church, Grandview, on the 17th, by Rev. J. LeRoy Steele, pastor of the Murphy Baptist church, and interment was in the churchyard.

He is survived by three children, Mrs. Georgia Keith, of Knoxville, Tenn.; Bob Bates, of Tellico Plains, Tenn.; and Charlie Bates, of Kansas City, Mo. His wife and one daughter, Mrs. Billie Ashe, are deceased.

COUNTY SUNDAY SCHOOL MEET AT NOTLA JULY 27

Attendance Pennant To Be Awarded and State Speakers To Appear On Program

In co-operation with the president and secretary of the Cherokee County Sunday School Association, arrangements have been made for holding the annual County Sunday School Convention on Saturday, July 27th, at Notla Baptist Church, eight miles southwest of Murphy, on Highway No. 10, according to announcement this week by Miss Flora Davis, general superintendent of the State association, and Mrs. E. G. White of Notla, who is secretary.

The Cherokee County Sunday School Association is an organization composed of all denominations of the county working in co-operation for better Sunday Schools over the county, and is affiliated with the North Carolina Sunday School Association. Mr. K. V. Weaver, of Murphy, is superintendent of the county association.

The program to be rendered at Notla is now being worked out by officers and will be announced at a later date. It is being so planned as to offer to help workers in all departments of the Sunday School, and a large attendance of superintendents, teachers and workers from all over the county is expected.

This year the attendance pennant will go to the Sunday School having in the sessions of the convention the largest average attendance of representatives, sixteen years of age and over, according to the miles traveled. Attendance records will be taken at each session of the convention. The average number of representatives in each session from a given Sunday School will be multiplied by the number of miles from that church to the convention church, and the Sunday School having the largest number of points will receive the pennant. The Sunday School with which the convention is held, and others within one mile, cannot compete for the pennant.

She made a plea for a substantial increase in pledges that the work might be enlarged and that our own girl, Miss Ola Callahan, of Scarrett College, who was consecrated at the Council meeting, might begin her work in Mexico. Following the prayer of consecration, the pledges for the year were made.

Lunch was served in the dining room of the church by the women of the Murphy Society.
