THIRD TICKET ENTERS RACE FOR COUNCIL

Mauney Ticket Certified to Clerk This Week—Election Next Tuesday

Another ticket entered the race for town council this week when Prof. L. E. Mauney's ticket was certified to the town clerk. This puts three tickets in the field for the jobs of "City Fathers."

The first ticket to enter the race was headed by E. B. Norvell; the second by J. W. McMillan. The ticket headed by Mr. Mauney follows:

- For Mayor.**
L. E. Mauney.
For Councilmen.
E. L. Townson.
C. B. Hill.
R. M. Fain.
R. B. Ferguson.
R. R. Beal.
W. P. Elliott.

Several of these candidates names appear on two tickets. The name of Fred Dickey appears on McMillan's ticket and also on Norvell's. R. C. Mattox is also on McMillan's and Norvell's ticket. R. B. Ferguson is on McMillan's and Mauney's ticket. Mr. Ferguson is also the only member of the present incumbent board who has been nominated for re-election, while J. W. McMillan, a member of the present board, is a candidate for mayor.

The other tickets in the field are as follows:

- For Mayor.**
E. B. Norvell.
For Councilmen.
R. C. Mattox.
V. I. Butt.
Ralph Beal.
Fred Dickey.
George Cope.
E. C. Moore.

- For Mayor.**
J. W. McMillan.
For Councilmen.
C. B. Hill.
G. W. Candler.
W. M. Fair.
Fred Dickey.
R. C. Mattox.
K. B. Ferguson.

First letter From Mr. Powell Delayed

The Scout is in receipt of the following letter from Rev. Howard P. Powell, pastor of the Murphy Methodist Church, who is now on a visit to the Holy Land. The letter was received this week, but was written on March 28th. Two letters written since then, were carried in these columns last week. This letter evidently was delayed somewhere in transit. It follows:

Mr. C. W. Bailey, Editor
The Cherokee Scout
Murphy, N. C.

My dear Mr. Bailey:
We sailed from New York, Brooklyn, Friday afternoon, March 21, at 4 o'clock.

We arrived in Providence, R. I., Saturday morning at 10 o'clock and left at noon. From Saturday morning, March 22, until today, March 28, we did not see the sight of land.

We arrived at The Azores this morning. We had two hours in the little city of Horta, with 22,000 population. Here we saw a very interesting little city with its narrow streets, barefooted women and children with baskets on their heads. We met with a saloon on every corner and in between corners. The streets were busy with mules, wagons, and a few automobiles.

The Azores are a most interesting group of islands. The division of the farms is very pronounced and makes a most interesting scene from the sea. The buildings are very attractive and well arranged. Flowers grow along the streets and add to the unusual attractiveness of the place.

We are now in port at Angra and will leave at 10:30 tonight, to arrive at Ponta Delgada tomorrow, Saturday at 7 o'clock, where we stay until noon.

Thus far we have had a most excellent voyage. I have not been seasick yet, but am homesick for Murphy.

Sincerely yours,
HOWARD P. POWELL

400 GALLONS BEER DESTROYED

Sheriff R. L. Long and Deputies Grady Jones, and Bayes Penland made a raid on the head waters of Shooting Creek Sunday and destroyed 400 gallons of beer.

DISTRICT SEAT IS SOUGHT BY STONE

ATTORNEY SEEKS RELIEF FOR WAR VETERANS AND UNEMPLOYED

The proper relief at the earliest time possible for disabled World War veterans and for the thousands of unemployed in the state, is advocated by Major Wallace B. Stone, well known Asheville attorney and World War veteran, in announcing his candidacy for the Democratic party nomination as representative in the United States Congress from the 10th North Carolina district.

"Relief can be obtained in the unemployment situation in the State of North Carolina through the enactment of tariff legislation upon the products and resources of the state, notable mica, of which the western section of North Carolina has an abundant supply and upon which there is on tariff," Major Stone pointed out. "There are other ways through which relief can be had for those who are without work in the state," he stated.

Referring to the need of adequate relief for soldiers who were disabled in the service of their country during the World War, Major Stone described several of the present practices of the Veteran's Bureau as being unsatisfactory. "The present strict and unsympathetic regulations of the Veteran's Bureau deprive in many instances the rights of the veteran to relief granted by law, because of technicalities in their rules of evidence," he said.

Speaking of prohibition as it is now being enforced under the 18th amendment, Major Stone declared that he is in favor of prohibition and the enforcement, but that the present law is not being enforced, and at the present time under the existing law prohibition cannot be enforced. However, after a very close and careful personal study, Major Stone stated that he believes an adjustment or change in the Volstead act to a degree which would make prohibition practical in its enforcement, would be advisable.

What he termed as "a growing tendency of the centralization of governmental functions in the Federal government which is gradually usurping the rights and functions of the individual state and the rights of individuals" also was severely censured by the attorney in his announcement statement. "I am against such tactics," Major Stone stated.

For many years Major Stone has been a leading figure in the civic, legal, religious and fraternal life of Asheville. He was born September 26, 1891, at Thomasville, in Davidson County, N. C., the third eldest of a family of twelve, ten of whom were boys. His father, Marcus S. Stone is now and has been connected with the Thomasville Baptist orphanage for the past 25 years or more as instructor in mechanics. Mr. Stone, senior, also constructed the building and since has had it in his charge.

Major Stone was educated in graded schools at Thomasville and graduated from the Liberty Piedmont Institute at Wallburg, N. C. He also studied law extensively under private instruction since returning to Asheville from service overseas.

After working as an accountant for the Amazon Cotton Mills from 1911 until 1916, Major Stone entered military service and was sent to the Mexican border with the North Carolina National Guard. Immediately after returning from the border in 1917 he entered the World War as a member of the 30th division, serving as Captain of company L, 120th Infantry, and later serving as Commander of the 3rd Battalion of the 120th Infantry. After the World War he entered the army reserve corps. In 1916 Major Stone married Selma R. Young daughter of R. H. Young, of Swannanoa, and a sister of Lawrence W. Young, Adjutant General of the State of North Carolina under Governors Locks Craig and Thomas W. Bickett. Major and Mrs. Stone have three children.

After the World War Major Stone entered the stock and insurance business and remained engaged therein until in 1922 when he again entered the auditing and accounting business until in 1929 when he was admitted to the bar in January. Since that time he has been actively engaged in legal practice in Asheville.

Appointed inspector general of the state by Governor Cameron Morrison Major Stone served in that capacity during 1923 and 1924. A lifelong and staunch supporter of the Democratic party, he has been active for many years in the church and civic life of Asheville, as well as in the activities of the American Legion and in social welfare work. Major Stone is a member of the Masonic order and of the Scottish Rite.

CANDIDATE FOR CONGRESS

Major Wallace B. Stone, well known Asheville attorney, civic, church and fraternal worker, candidate for nomination to congress from the 10th district on the Democratic ticket, who spoke at Hayesville this week in behalf of his candidacy. In his statement, Major Stone urged the voters to go to the polls and vote full strength, saying that it was a citizen's privilege as well as a duty.

Damalsto Demonstration At Griffith's Mon. P. M.

A free demonstration of Damalsto will be held all Monday afternoon May 5th, at Griffith's, according to announcement this week. Mr. Hughes will be in charge of the demonstration, and the people of the town are asked to call and see the wonderful cleaning properties of this new Murphy product.

The demonstration is held at the request of many who do not understand how to use Damalsto. Demonstrations on the use of both the Cleaner and Spotter and Metal Polish will be given.

Damalsto has been placed on sale in five states, namely, Georgia, Florida, Alabama, Tennessee and North Carolina, and orders are being received and filled every day. Already the manufacturers are planning to increase the size of the plant and output facilities in order to take care of the demand being created by this "sure-fire" cleaner.

SAFE FARMING.

A Program For the South Recommended by the U. S. Department of Agriculture

Prosperity among Southern farmers will be widespread and permanent and contentment abound only when the Safe-Farming methods so long known and advocated become general throughout the South. They are:

Grow ample food to feed the family. Have a good summer and winter garden.

Grow all the pork needed for home use.

Keep enough cows to fully supply all family needs.

Raise all the poultry and eggs the family can use and some to sell.

Grow cane or sorghum for syrup, where practicable.

Grow all the feed needed.

Make the purchase of feed for the work stock, poultry, hogs and cows unnecessary—a penny saved is worth two earned.

Keep up the fertility of the soil.

Grow cow peas, vetch, soy beans, or other legumes to plow under.

Sow rye, wheat or oats in corn and cotton fields for pasture and to prevent winter washing and leaching.

The farmer who follows the above plan will have a good living, keep out of debt, and have something left over at the end of each year.

Singing Convention

The Clay County annual singing Convention will be held at the Baptist Church in Hayesville May 25th, 1930. All Quartets and singing classes outside of the County are urged to attend and a cordial welcome is extended to one and all.

A. G. THOMPSON, Secretary.

CLEAN UP AND PAINT UP WEEK MAY 5TH TO 10TH

Citizens of Town To Co-operate in Campaign To Clear City Of Unightly Rubbish

A proclamation this week by Mayor Harry P. Cooper, setting apart next week, May 5th to 10th, inclusive, as Clean-up Week, asks the co-operation of the people of the town that all premises be thoroughly cleaned and rubbish piled in the streets or alleys so that the town truck can haul it away.

The summer season is opening up and already tourist travel is passing through, and it is desired that the town look as clean and attractive as possible.

Preceding and during Clean-up Week, the merchants of the town are asked to display painting and cleaning materials in the show windows so as to aid in calling attention of the public to the campaign.

All merchants and other business men, residents and owners of vacant lots are asked to clean thoroughly around their premises during the week by cutting grass, weeds, etc., cleaning up cars, limbs, leaves, and other material about the home or place of business on any vacant property.

The town will furnish trucks and men to haul away any such rubbish if piled along the streets and alleys so that it can be reached with a truck. If the truck should miss you, it is requested that you call Harry Fain at the Mayor's office in the Library building, who will see that the rubbish is moved.

The co-operation of the entire town is asked in this campaign, and by everyone doing the necessary cleaning about his own premises, the whole town can be made to assume a wholly different appearance without any hardship on anyone. Let all work together during next week, and all the weeks following, for a cleaner, healthier, and more beautiful Murphy in every respect.

Work Progressing on Wofford Building

Construction work on the new building of C. M. Wofford Company, at the L. & N. Depot, is progressing rapidly. The walls have been practically completed, and the work of putting on the roof is now in progress.

This building when completed will be two stories, including basement, and is 50 by 90 feet. It will be modern, and house the wholesale business under the name of C. M. Wofford Company. It is of brick construction, and but for floors, will be fire-proof. A Metal roof will be put on. Robert M. Boowling, of Blairsville, has the contract for building, and it is expected that it will be ready to be occupied by the first of June.

Candidates Galore

With the opening of court Monday morning came a flock of candidates seeking votes of the Clay County democrats for the office of Solicitor. Five in number they were, Hons. Ralph Moody and Harry Cooper of Murphy, T. D. Bryson, Jr., of Bryson City and Ferguson and Queen, both of Waynesville. And one Candidate seeking the nomination for Congressman on the Democratic ticket, one, Major Stone, of Asheville.

Major Stone, Harry Cooper and Ralph Moody talked in an open meeting in the court room immediately after lunch Monday. A large crowd heard them.

Mr. Moody has a notice running in this paper calling attention of candidacy.

principal of the High school and the president of the local chapter of the U. D. C.

6. Material on these two subjects will be placed in the school Library.

The Andrews Baseball team will play Canton here for a double header on next Friday, May 9th and tenth. These two games will be returned games from a few weeks ago when the Andrews boys played Canton two games there. Both games were lost to Canton, but the Andrews boys will be seeking revenge and will be tough customers for the Canton School here on next Friday and Saturday. According to the schedule of the Andrews High these two games will be the last of the season for them.

ANDREWS BRIEFS

The students of the Andrews High School enjoyed a most wonderful talk, at the chapel period this week, delivered by Professor L. B. Nichols, in past days Principal of the Andrews High School. He used as a subject "Paying Too Much For Things in Life". "An Education cost great deal", Professor Nichols stated, "But it is worth every minute you put in it. You can never pay too much for an Education. The boys or girl who quits school will pay, and pay dearly for quitting." It Costs too much to quit school."

Professor is known and loved by every High School boy and girl in Andrews. He is known to them as "the school boys and girls friend."

Little Edd Mashburn, aged seven, one of the Mashburn twins, who are so near alike that their older brother can't tell them apart, fell from a tree here today and was injured. Doctors report that they could not tell whether the child was injured seriously or not. No bones were broken and there is no injury to internal, as he fell on his chest, it is thought. Late this afternoon he was able to sit up but was still weak from his fall.

The Andrews Rotary Club of Andrews entertained a large number of Andrews school boys here to night with a banquet, held at the Junaluska Terrace. Dr. Floyd Rogers, of Asheville, was the speaker of the evening. Roger A. Dewar, future president of the Club introduced Dr. Rogers to those present. With his subject "Men and Boys", Dr. Rogers gave a most interesting and helpful talk to men and boys. For around fifty years Dr. Rogers has known and worked with boys, and was well prepared for the address he gave to the dads and boys.

Two prizes have been offered to the students of the Andrews High school this year for essays. One a five dollar gold piece is offered by the local Cherokee Chapter of the United Daughters of the Confederacy for the best essay on "The Cherokee Removal." Another, a medal, is offered by Mrs. W. T. Forsythe, for the best essay on "Robert E. Lee." These awards will be made on Commencement night and all essays must be in by three thirty P. M. filed in the Superintendent's office. The following rules were given governing the essays:

1. All essays are to be filed in the Superintendent's office by three thirty P. M. May 23.
2. All essays are to be typewritten on one side of paper.
3. All essays are to be the work of the pupil himself.
4. Assistance may be had in finding material but not in composition.
5. Essays are expected to be from three to five typewritten pages.
6. Judges are to be chosen by the
