A few weeks ago Walker knocked out Jimmy Kidd Jarrett in the first round of the battle. Where physical defects are found the parents will be informed and given suggestions as to what should be done. The children will be kept at school about three hours and will be given a first taste of school life by the first grade teachers, who will devote the morning to them, playing games, telling stories and showing them how first graders work. The woman's club will serve a light luncheon in the home Economics kitchen. All parents are asked to cooperate with the school in sending their children to the clinic.

The following is quoted from the Old Gold and Black, Wake Forest Paper: "The precedent of electing a senior as president was broken by electing Rev. W. H. Ford, who is a sophomore. It was pointed out that by virtue of experience and outstanding ability Mr. Ford was the logical man to fill the office. With such an able man at the helm of the class and with the cooperation of such a splendid group of co-workers, it is expected that the class as a whole will put on new life". Rev. Ford was pastor here for over three years and did a great piece of work in his church. He is a splendid leader and organizer, aside from his great ability to preach the gospel of Christ.
