MERCHANTS ARE ASKED TO CO-OPERATE WITH "MADE IN NORTH CAROLINA WEEK"

Committee Has Been Appointed By Lions Club

Director Harrelson of Department of Conservation and Development Makes Suggestions

The merchants of Murphy are asked to cooperate in the "Made in North Carolina" Campaign which is being sponsored by the Department of Conservation and Development, J. W. Harrelson director. A committee from the Lions Club has been appointed to ask the merchants of Murphy to take part in this campaign. This committee reports that every merchant yet approached intimated that his store would be glad to cooperate and the movement seems to have met with a hearty response in Murphy.

Some suggestions have been made by the Department of Conservation and Development, and the following statement has been given the press of the state:

"A number of merchants have made request to us for suitable placards and cards for marking "North Carolina Made Goods" which they are carrying in stock. Unfortunately this Department hasn't sufficient funds with which to carry such a large project. We hope however that all stores carrying any "North Carolina Made" Goods will not only mark such goods as having been made in the state, but that such stores will be designated as "Made in North Carolina Stores."

Should be Permanent

"If this "Made in North Carolina" campaign is to be the success it might be, and should be, it must be made permanent. We believe that the people will buy home made goods in sufficient quantity at all times to justify merchants making their stores permanent "Made in North Carolina Stores."

The larger stores will be justified in having suitable signs and markers printed. Some stores will have professional show card writers who can prepare such signs. Most stores will have someone in their organization who can prepare neat cards even though such persons are not show card writers. In some cities and towns, a number of stores may cooperate with a central committee, perhaps, the Chamber of Commerce, Merchants Association, or the Civic Clubs Committees, in preparing these cards and markers. The following cards and markers are suggested:—

1. A sign designating your store as a "Made in North Carolina Store." This may take the form of an emblem to be placed in your windows and on your doors; or a large sign, to be displayed outside your store or at a suitable place in your store. We suggest the following wording:

(a) "We sell goods made in North Carolina."

(b) "This is a Made in North Carolina Store."

2. Smaller signs may be used to designate shelving, tables, show cases windows, etc., where "North Carolina Made" goods are displayed:

(a) "Goods on these Shelves were made in North Carolina."

(b) "Goods in this window were Made in North Carolina."

(c) "Goods in this show case were Made in North Carolina."

3. These same words may be used to mark goods made in your city, by substituting the name of your city for the words "North Carolina."

4. General signs may be placed in your store at suitable places bearing the following or similar words:

(a) "Ask for North Carolina made Goods"

(b) "Ask for home made goods."

(c) "Ask for Goods made in (name of your city)"

(d) "Keep your money at Home by buying home made goods"

(e) "You 'made' your money in North Carolina; Spend it for "North Carolina Made" goods."

5. Ask North Carolina Manufacturers from whom you buy the goods to place suitable labels on them, bearing the words "North Carolina Made"

The shipment of logs and lumber from Tipton makes it quite busy at times, and there are many tourists passing through and they all enthuse over the fine scenery presented from the Look-out on Nantahala Gorge. We think this part of Western North Carolina will attract thousands of the tourists as soon as the highway from Knoxville, Tenn., is connected.

Mrs. Maude Cloer-Carney with her two children, from Kentucky are visiting her parents here, Mr. and Mrs. A. E. Cloer.

MURPHY GOLFERS DEFEAT YOUNG HARRIS TEAM

ROAD MEETING ADOPTS PLANS FOR 41 AND 19

\$10,000 ADVERTISING PROGRAM SEEKS TO DRAW TOURISTS OVER ROUTES

Plans for advertising Federal Routes 41 and 19 which promise to be of far-reaching results were adopted at a road meeting in Atlanta last week, attended by representatives from North Carolina, Tennessee, and Georgia.

The meeting was called by "Uncle" Fred Houser, of the Atlanta Convention and Tourist Bureau. The plans adopted by the meeting call for the expenditure of some ten thousand dollars in an effort to bring tourists over these routes from Florida next spring on the northward trek.

It was the understanding of the meeting that the plans be carried back home and presented to the home folks for their attention and action.

William Candler, of the Atlanta Biltmore Hotel, was elected chairman of the meeting. Mr. Hastings, of the Atlanta Convention and Tourist Bureau, presented the plans and told of the possibilities of the tourist business traveling over these two routes. It was voted to have the minutes of the meeting and the plans written and forwarded to each delegate attending the meeting.

GRAHAM COUNTY GRAND JURY RECOMMENDS COUNTY JOIN IN DISTRICT HOSPITAL MOVEMENT

ANDREWS SENIOR HIGH CLASS REORGANIZES

The Senior Class of last year, of the Andrews High School met and reorganized their class today. While quite a number were absent, many were present to recall the "Good old times they will miss this year." David Mashburn was elected president; Henry Bellamy, Vice president, and Miss Mabel Jones, Secretary-treasurer.

The purpose of the class meeting was to check up on where the students were at present, what they were planning on doing and to organize the class so as to have a class reunion each year. Once each year all of the class is required to write each member of the class. When moved or address changed they are to write either the President or Secretary who will inform other students of the change. A mailing list will be sent out each year to each student so he or she can keep in touch with any ex-senior they wish.

As far as the information could be gotten together it was found that Sally Pittman was attending E. C. T. C. at Greenville this year. Lillian Thomas will attend Weaverville College. Henry Bellamy will attend Wake Forest. Mary Barnard will attend the Asheville Normal College and Mabel Jones and David T. Mashburn will attend Mars Hill College. Many others are planning to attend college or taking up other courses in life, but had not definitely decided, as yet what they would do.

REPUBLICANS NAME TICKET TUESDAY

BRISTOL NAMED FOR SHERIFF, AND DOCKERY FOR REGISTER OF DEEDS

JACKSON SPEAKS ON WEDNESDAY

The Republicans of Cherokee got off to a flying start this week in the campaign for county offices and for the tenth district seat in Congress when they named the party ticket for the county Tuesday and Wednesday when Brownlow Jackson officially opened his campaign for congress at a big party rally and meeting in the court house.

The ticket named by the Republicans Tuesday in county convention is as follows:

For Sheriff, Frank Bristol.

For Register of Deeds, Walter B. Dockery.

For County Commissioners, James M. Lovingsood, E. L. Townson, and Lon Raper.

For Representative, A. K. Dickey.

For Clerk of Court, J. E. Keener.

For Coroner, Dr. S. C. Heighway.

For Surveyor, W. A. Adams.

The meeting of the convention was largely attended by delegates from all over the county, and Fred Dickey of Murphy, was elected Chairman of the County Republican Executive Committee.

At the meeting Thursday night, officially launching his campaign for congress, Brownlow Jackson addressed a gathering which filled the spacious auditorium of the court house.

O. L. Fitzgerald, Jackson's campaign manager, and Mrs. Emma Rollins Tighe, district vice-chairman, addressed the gathering.

The meeting was devoted largely to organization and discussion of plans for the campaign.

Prior to coming to Murphy Wednesday night, a similar organization meeting in Hayesville, county seat of Clay county, was held Wednesday afternoon.

Fred Christopher, Murphy attorney and party leader, presided at the meeting, at which Don Witherspoon, another Murphy attorney and party leader, and other local Republicans made addresses.

Mrs. J. H. McCall, of Murphy, was appointed vice-chairman for the county, and a woman in each township was named as township vice-chairman.

The meeting was marked by enthusiasm, and all those on the program voiced optimism over the outlook for victory in the November election.

The Grand Jury of Graham County Superior Court, holding forth this week at Robbinsville, recommended that Graham county join in the movement with Cherokee and Clay Counties in the establishment of a hospital-home for the care of the indigent of the three counties.

The recommendation was contained in the report or presentments to the court, and the section of the report containing the recommendation follows:

"We have examined the pauper list in the office of the Board of County Commissioners of Graham County and we find the amount expended for month for this purpose to be \$227.50 and we are informed that there are a great many in need of help who are not asking for it, and, of course, not getting any and some in need who have failed to get any assistance on the account of lack of funds as we suppose. We are advised that there is a movement on foot to establish District County Homes and some steps are now being made for the establishment of a District County Home for the counties of Graham, Clay and Cherokee.

"In this connection, we are advised that there has been a fund set apart, called the Duke Endowment Fund, which fund is available for the establishment of a hospital in connection with the County Home. We recommend that Graham County join with Cherokee and Clay in the erection of a County Home for the benefit of the poor of both counties and also take steps to secure the erection of a hospital at the time from the Duke Endowment Fund above referred to."

S. C. Rotarians Visited Folk School—Murphy

Dined With Andrews Rotarians Thursday On Trip Through Western N. C.

The Westminster, S. C. Rotary Club made a trip through Western North Carolina last week and were guests of the John C. Campbell Folk School Thursday Morning for one hour. This hour was offered to be divided between Murphy Lions Club and the Folk School, an arrangement was made by the executive committee of the Lions Club to meet with the South Carolina Rotarians at Brasstown.

The following correspondence relative to the visit of the South Carolinians and Lion President Fain's reply speaks for itself:

Mr. W. M. Fain, Secty., Lions Club, Murphy, N. C.

Dear Sir:—

The Westminster Rotary Club is making a one-day trip through Western North Carolina. We expect to reach the J. C. Campbell Folk School at Brasstown, N. C. about 9:30 A. M. on Thursday, August 28th. I understand your club has cooperated with the Folk School and that you have recently established a canning factory at Murphy. We have allotted the Folk School and Murphy "one hour"—Mrs. J. C. Campbell gave us your name and suggested that we get in touch with you. We have arranged to take lunch with Andrews Rotary Club at 12:30. From Andrews will go to Bryson City, Cherokee Indian Reservation, Dillsboro and Franklin for 7 o'clock supper with the Franklin Rotary Club. We have asked the Andrews Club to give us information on water power development, the Smoky Mountain National Park and Western North Carolina, and look, we would like for you to get in touch with Miss Butler and Mrs. Campbell and decide upon the time; Folk School Idea, Co-operative Creamery, Hatchery, Egg Route, Farmers Exchange and Canning, as you are especially interested in canning suggest you tell us how you put it across, etc. We are taking a 275-mile ride and 3 hours for learning and entertainment. So we are obliged to make our contacts snappy.

Please let us know if you have anything special you would like to show us at Murphy.

Hoping to see you on Thursday, August 28th,

Yours very truly,

Frank H. Shirley.

July 23rd, 1930.

Mr. Frank H. Shirley, Westminster, S. C., Dear Sir:—

We are happy to know you are to do us the honor to pass through our little city on the Morning of August
