MURPHY PLAYS COPPERHILL ON FRIDAY NIGHT

TENTATIVE LINE-UP ANNOUNCED FOR THE FIRST GAME OF THE SEASON

The Murphy football aggregation will meet the Copperhill team at Copperhill in their first game of the season tonight, while it is the second game for Copperhill.

Coach Lingerfelt has been putting the local boys through some intensive training this week in an effort to whip them into shape for the game Friday night.

The tentative line-up follows: Ben Palmer, center; Frank Ferguson, right end; Frank Brendle, right tackle; Jack Wilson, right guard; James Mellonee, center guard; Harry Robinson, left guard; Paul Howell, left tackle; J. H. Brendle, left end; Richard Parker, right halfback; Arnold Derreberry, left halfback, and Johnny Herbert, fullback.

The following as substitutes: Backfield, Roy Barton; right end, Edwin Hensley; left end, Bill Miller; end, Hadley Williamson; center, Enel Adams; left tackle, Michael ; and right tackle, Jerry Davidson Jr.

Word has gone abroad that Copperhill has one of the strongest teams in this section, and the boys are expecting to have a rather rough road to travel when they go up against it Friday night. However, it is a cinch the Copperhill eleven will not find it easy sledding. The local boys are expecting to make a good showing, and a large delegation of Murphy fans are planning to follow them to the Tennessee city.

To Play Hayesville 3rd
The next game for the local boys is scheduled with Hayesville at Hayesville on October 3rd. The Hayesville team last year swept everything that got in its way, winning a perfect victory score for the entire season. Hayesville has also had one game this season, with Bryson City and came out with the best end of the score.

An interesting feature of the match with Hayesville will be centered in and around Coach Lingerfelt and his leading a new team up against his old eleven. Mr. Lingerfelt coached the Hayesville team last year and the year before, and developed it into a machine for team work second to none in this section. It downed all comers and registered a perfect score.

And the way Hayesville handled Bryson City one day last week, that machine Lingerfelt built up is still registering strongly. Hayesville beat Bryson City 38 to 0.

Yet Mr. Lingerfelt has some good material on the Murphy team and he believes in it. However, he says it's going to take some hard work, but he hopes to develop it into a strong aggregation. And those who have seen the boys working out this week agree with him.

Basketball Games at Fair
A number of basketball games have been scheduled for the Cherokee County Fair between teams of this section.

The Ogdens boys and girls are to play the Murphy boys and girls in a double-header, while games are expected to be scheduled also between the local boys and girls and Hayesville and Andrews.

The games will take place on the fair grounds and definite announcement as to the time will be made later.

Deer Season Opens On November First

The open season for hunting deer opens November 1st, instead of October 1st, according to information received this week by D. M. Birchfield, County Game Warden, from State Warden England.

The open season in all the western counties is from November 1st to December 31st, or sixty days, according to the letter from Mr. England, and only applies to buck deer and not to doe deer. There is no open season on doe deer.

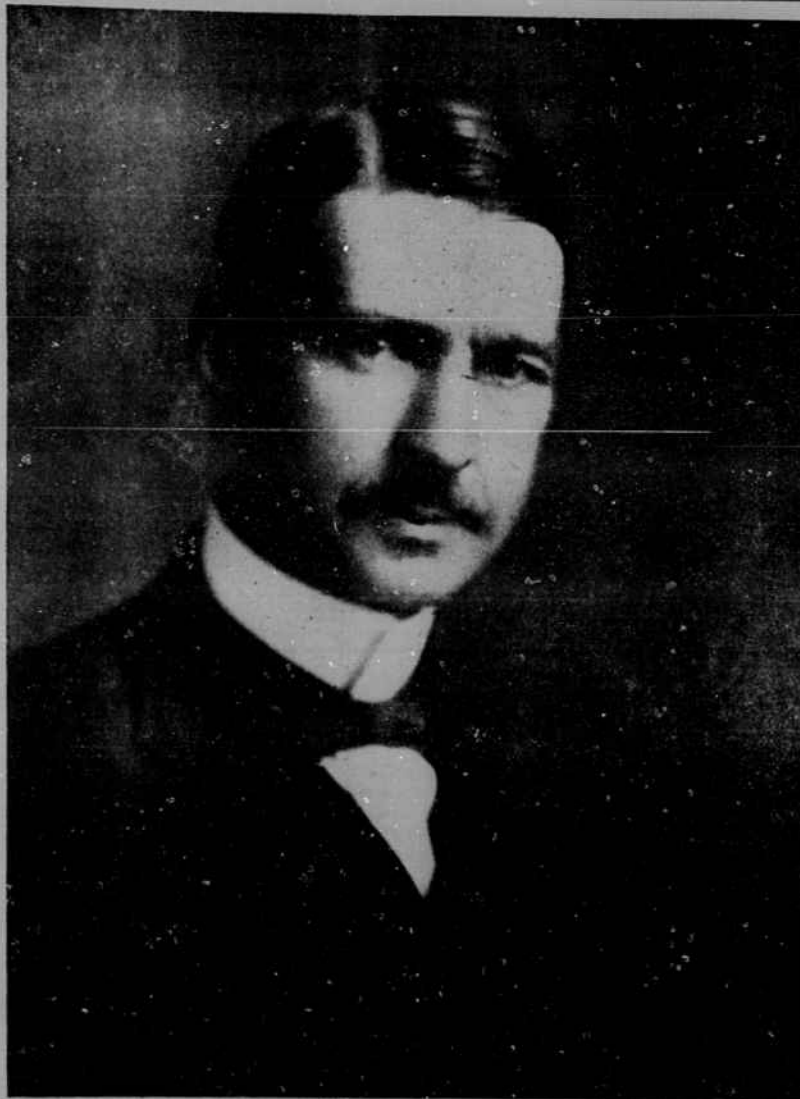

Rev. Steel Given Surprise Party

Members of the Baptist Church and friends gave the pastor, Rev. J. L. Steele, a surprise party Wednesday night following prayer meeting and choir practice, the occasion being his thirtieth birthday.

After the services, all retired to the ladies parlor where sandwiches and punch was served by the ladies.

Mr. Steele received many useful presents, and all wished him many happy returns.

RECEIVES DEMOCRATIC NOMINATION FOR REPRESENTATIVE

John H. Dillard

DEMOCRATS WOULD ABOLISH ROAD BODY AND OTHER OFFICES

ZEBULON WEAVER URGES SUPPORT OF PARTY TICKET

COUNTY TICKET NAMED AT CONVENTION HERE SATURDAY AFTERNOON

The Democrats of Cherokee county went on record in convention here last Saturday afternoon favoring the abolishment of the Cherokee County Road Commission, the County Health Office, the office of County Auditor, the discontinuance of the County School Supervisor, and to reduce the salary of the Superintendent of the County Home.

The Democrats met in convention to name the county ticket and transact such other business as might come before the meeting, and Saturday was indeed a Democratic day in every sense of the word, as it marked the beginning of what is expected to be one of the most intensive campaigns waged by party leaders in the county in many years.

Saturday morning delegates to the convention, which met at 2 o'clock in the afternoon, were on the streets bright and early, and all during the morning little groups could be seen all about discussing the topic of the day and campaigning for their favorite candidates.

The meeting was one of the most harmonious the Democrats have held in several years. Very few contests for nomination for the various offices were in evidence, and in these the losers immediately made motions that the candidate be given the unanimous endorsement of the convention, and many of the nominations were made by acclamation.

Weaver Speaks
Following the business of the convention, Zebulon Weaver, of Asheville, Democratic candidate for Congress from the tenth district, delivered an impassioned appeal, urging support of the Democratic ticket.

He played the policies of the Republicans, pointing out their lack of constructive legislation.

Under the Republican administration, Mr. Weaver said, farmers and business men have descended to the brink of panic and the nation has no friends among the nations of the world.

The speaker condemned the failure of the Republicans to keep campaign promises, and its system which projects industry to the damage of the farmers. He said the depression was not caused by over-production, but by decreased buying power.

The crowd at the convention was very enthusiastic and a great contest is forecast in this section. Several hundred persons attended the meeting, which was called to order by Chairman C. B. Hill, with Attorney Ralph Moody as secretary.

County Ticket Named

The Democratic county ticket as nominated by the convention, follows:

For Representative, John H. Dillard, of Murphy.

For Clerk of Superior Court, Allen Fain, of Murphy.

For Sheriff, W. R. Dockery, of Marble.

For Register of Deeds, B. L. Padgett, of Andrews.

For Coroner, Dr. J. N. Hill, of Murphy.

For Surveyor, George F. Hendrix, of Peachtree.

For County Commissioners, Giles W. Cover, of Andrews; Dr. J. H. Crawford, of Unaka, and Lee M. Shields, of Culberson.

For Board of Education, B. P. Grant, of Andrews; Bob King, of Bellevue, and P. A. Mauney, of Kinsey.

Adopt Resolution

The resolution adopted by the convention was introduced by Attorney J. D. Mallonee, of Murphy, who spoke briefly upon it and urged its passage. The motion was carried unanimously. The resolution follows:

Be it resolved by the Democrats

Merchants Offering Fair Week Specials

As an inducement to stimulate trade, a number of merchants are offering bargains and fair week specials through the columns of The Scout this week.

People coming to the fair cannot only enjoy plenty of amusement and recreation features, but they can save money on the attractive bargains being offered by the Murphy merchants.

Among these merchants are three firms which advertise regularly in these columns and offer real bargains from week to week—and any day in the week. They are the Murphy Supply Company, Candler's Department Store, and the Great Atlantic & Pacific Tea Company.

Other firms offering fair week specials are the following:

The Leader Cash Store, The Mauney Drug Company, The A. & B. 10-25c Store and Davidson & Carringer, and The Cherokee Scout.

Read the advertisements of these firms in this week's paper, and while attending the fair visit them and get in on the big savings being offered.

of Cherokee County in convention assembled, that:

1. We are in favor of a State wide school system for all of the public schools for the State.

2. We are in favor of a reduction in taxes for Cherokee county and for a more economical expenditure of the money collected for tax and to that end we declare ourselves to be in favor of abolishing the All Time Health Office for Cherokee County, to discontinue the School Supervisor, to abolish the office of County Auditor and require the Register of Deeds and Sheriff to perform the small duties of the Auditor, and require the salary of the Superintendent of the County Home be reduced.

3. That whereas the State has taken over most of the roads of the county, we are in favor of repealing the Dillard Law and all amendments thereto by which the Cherokee County Highway Commission was created.

REGISTRATION BOOKS OPEN ON OCTOBER 4TH

CHANGES MADE IN ANDREWS WARDS AND PEACHTREE PRECINCT

The registration books of the county open on October 1st and close on October 25th, according to announcement this week by officials of the County Board of Elections, S. W. Lovingood, chairman; Don Wither-spoon and John Tatham.

All voters who have moved or changed places of residence since the last election are urged to register if they expect to vote in the coming November election.

Recent rulings of the board of elections have made changes in three precincts of the county, namely, Andrews North and South Wards, and Peachtree voting precinct.

The change affecting Andrews North and South Wards is due to a realignment of the boundary, as follows:

Beginning on the South side of Valley River at the Valleytown Township line, near George Luther's, the line runs east with the George Luther road to the intersection of the road with highway No. 10, then up No. 10 to the Aquone road and out the Aquone road to the Jpnaluska school house, then with the dividing line between Collett creek and Bear creek or branch to the Clay county line. All South of this line is to be known as Andrews South Ward, and all North and East of the line is to be known as Andrews North Ward.

A new registration of all qualified voters in both Andrews Wards has also been required.

The change affecting the Peachtree precinct is the change of the voting place to the new public school building.

All voters are urged to check up and see if they are properly registered. In the primary sometime ago, a number of Murphy voters were barred from voting because they had moved out of one ward into another and had not registered in the ward into which they had moved. This situation was in some instances blamed on the election officials, but it happened to be a voter's fault, and fuming and fretting and "raisin' Cain" did not alter the matter. If you want to vote, be sure you are registered in the ward or precinct in which you now live. If you have moved within six months prior to election day, you should re-register, or see that you are qualified to vote in the ward or precinct in which you now live.

JOHNSON NAMED SECRETARY OF LOCAL LIONS

PLANS MADE FOR GROUP MEETING AT MURPHY ON OCTOBER 11TH

V. M. Johnson was named secretary of the Lions club Tuesday night to fill the vacancy caused by the recent resignation of Rev. J. L. Steele.

The meeting was held in the Lions Den at the Regal Hotel, where they gathered for their regular semi-monthly feast and arena antics.

Following the banquet, President Fain announced that tentative plans had been made for a group meeting of Lions clubs of this section at Murphy on October 10th. Included in this group are the clubs of Robbinsville, Asheville and Bryson City. The Tellico Plains, Tenn., club will be entended an invitation to participate in the meeting also.

A motion carried to have the meeting at Murphy and turn it into ladies night. Committees on arrangements and entertainment are expected to be announced in a few days by Mr. Fain.

At this group meeting, the district governor of Lions for North Carolina is planning to be present.

Two Draw Fines For Hunting Out of Season

Colvin Lunsford and Richard Lunsford were caught by Warden D. M. Birchfield hunting out of season, and were tried this week before Justice of the Peace C. B. Hill and fined.

The boys had two coons when apprehended, and were made to turn them loose. It cost them \$11.70 each.
