## CULBERSON

(Last week's letter)  
The West Liberty Singing convention was held at Shady Grove Sunday June 7th. The crowd was said to be the largest that ever assembled at that place. The singing and behaviour the best ever. In all it was the most enjoyable occasion ever held at that place.

The Friendship choir won the song books given by Mr. Ernest Hawkins, of Murphy, and we think they well deserved them and that the judges made a fair decision.

The officers of the convention elected for the ensuing year were Rev. W. T. Truett, president; Ernest Hawkins, vice president; Claud Payne, Friendshipnow is the time West Secretary. Directors O. C. Culbertson; Joe Bryant, Hopewell; Ernest Hawkins Shady Grove; Charles Calhoun, Murphy; Organist, Glen Ellis, of Culbertson.

The next convention will be held at Friendship on the Second Sunday in August.

Miss Sallie Kisselburg of this place, and Mr. Cyrus White, of Murphy, were married last Sunday.

## Dog Dies Bringing Aid to Drunk Lying in Alley

Winchester, Va.—Yelping and pawing at his master's door in a cold, drizzling rain, a fox terrier attracted the attention of his owner and several other men and led them to an intoxicated man he had found lying in a muddy alley some distance away.

The man was carried to a nearby house, refreshed with hot coffee and a warming fire and saved. However, fate was not so kind to the little dog, for in a short time he dropped dead from the effects of exposure and prolonged watching and crying for some one to aid the stranger who was down and out.

The story was related by Walter E. Huntsberry, prominent business man who said his dog Trixie barked and pawed so incessantly at the door of his home about 3 a. m. that he finally got up to investigate. Leading his master through the backyard to the alley, the terrier disclosed the cause of his apparent worry.

Mr. Huntsberry, with the aid of neighbors, took the man to a nearby building, where he was revived and put to bed, after his mud and rain-soaked clothing had been removed.

Trixie, shivering from cold and drenched with rain, tripped along lightly with his master to the Huntsberry home and lay down as if to rest. A moment later he gasped and expired just as his master was praising him.

Winter Egg Laying  
The poultry team says: Take the winter egg crop away and this mighty industry would fall to the ground in one year. It was discovered half a century ago that if hens are kept out of the snow and in other ways duly protected against the rigors of winter they will lay eggs at 40 below zero as certainly as at 90 in the shade. This is the basis of all profits in poultry culture.
