SICK HEADACHE
From Constipation

HERE is a purely vegetable medicine which has benefited thousands of men, women and children, and which you should try when troubled with constipation, indigestion, or biliousness.

Mr. H. H. Rogillo, of Lake Charles, La., writes: "When I let myself get constipated, I feel dull and sluggish and all out of sorts, not equal to my work. When one has this feeling it is time to take something before he feels worse. I certainly have found Black-Draught to relieve. I used to have severe sick headaches and suffer a great deal. I found this came from constipation, and that Black-Draught would correct it. That is why I began using THEOPHORS."
