Fain Says Rumor Of Shortage Untrue And Campaign Canard

To the Citizens and Taxpayers of Cherokee County:

Information has reached me that a rumor is being circulated over the County that I am short a sum of money in my accounts as tax collector for the Town of Murphy, and I want to take this means of denying such statements.

I have all my records and receipts and any interested citizen is welcome to see them at any time.

My personal feeling is that this rumor is a political matter, being used to injure my candidacy for the office of sheriff of this county, and I trust that all fairminded voters will not be misled in this campaign by such underhanded and deceitful statements.

I am ready to make a settlement with the Town officials just as soon as they complete their audit of the books, but am unable to do so until this audit is completed and the report made by the auditor concerning the accounts.

In the meantime I shall appreciate your support and vote in the Primary on June 4th, and promise each and every one of you, if you elect me to the office I seek that I shall faithfully and conscientiously discharge the duties of the office of sheriff to the best of my ability.

Yours very truly,
F. A. FAIN

Decoration at Peachtree

As the Fifth Sunday, May 29th has been set for decoration day at Peachtree, the program committee has planned an all day program.

The program in the forenoon will be composed of numbers rendered by members of the local community; also preaching by the pastor, Rev. Alga West.

The afternoon part of the program will include speaking and singing by various speakers and singers of the county.

We want to extend a cordial invitation to all that would like to be with us on that day. We would also like to insist that everybody bring a lunch for himself and a little to divide with his friends; then all would have something to eat.

We also wish to express our deepest appreciation to those who labored so faithfully in cleaning off the cemetery; because we feel that they should be honored for the excellent work they did.

Decoration Shady Grove

There will be a decoration held at Shady Grove church, 3 miles west of Cullers on May 30th. A short special program is being planned, to begin at 9 o'clock in the morning. Short talks are to be made by J. T. L. Hartness, Robert Bell, I. P. Hawkins, and others. The sermon at 11:30 will be preached by the pastor, the Rev. W. T. Truett.

The public is cordially invited to attend these services.

The Scout regrets that a number of articles had to be omitted this week for a lack of time for putting them in type and allowing the paper to make its appearance on regular schedule time.

Odd "Incubators"

Chickens have been hatched artificially in Egypt and China for centuries. Methods of heating them have not changed to any extent in either country. Thermometers for testing heat are not in general use there, the eggs being tested by touch of hand or eye-lid. Heat is supplied by burning charcoal or by piling the incubator in a pile of decomposing manure.
