MARBLE SCHOOL NEWS

The boys and girls basket ball team are now well organized and playing at full speed.

The school children of the 1st., 2nd, and 3rd. grades have been making a study of leaves, flowers and plants grown in the Marble community, and much interest is shown.

The P. T. A. has just completed the new folding curtain for the school auditorium. A sale campaign was put on in Andrews and Murphy which brought \$200 to bear the expense of curtain.

The pastor of the Baptist church of Marble, Mr. West and Rev. Hedden of Middle Tennessee conducted chapel exercise last Wednesday morning.

The revival services have been breaking in the class exercises, but greater work has been done for the community by the cooperation of the school and church.

The 2nd. and 3rd. grades, under the supervision of the teacher, Mrs. V. M. West, gave an interesting program in chapel last Tuesday.

A male duet from Andrews rendered some interesting singing at the P. T. A. on last Friday afternoon.

The new stage for the auditorium will soon be completed, a project put on by the teachers and some of the men of the community.

Use This Laxative made from plants

Theford's BLACK-DRAUGHT is made from plants that grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act—just as Nature put the materials that sustain your body into the vegetable foods you eat. In Black-Draught you have a natural laxative, free from synthetic drugs. Its use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily. Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.
