## Thousands of Women Benefited By Cardui

The benefits many women obtain from Cardui give them great confidence in it. "I have four children," writes Mrs. J. L. Norred, of Lagrange, Ga. "Before the birth of my children, I was weak, nervous and tired. I had a lot of trouble with my back. I took Cardui each time and found it so helpful. Cardui did more to allay the nausea at these times than anything I have ever used. I am in very good health and believe Cardui did a lot of it." Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

## An "Owed" To Taxes

(By Gee McGee)  
They tax our bread  
They tax our meat,  
They tax our head,  
And they tax our feet.

They tax our gas,  
They tax our oil,  
They tax our home,  
And they tax our soil.

They tax our beer,  
They tax our dope,  
They tax our candy,  
And they tax our soap.

They tax our pills  
They tax our car,  
They tax our mills,  
They tax our bar.

They tax our gum,  
They tax our smokes,  
They tax our cotton,  
And they tax our jokes.

They tax us here,  
They tax us there,  
They tax our regulars,  
And they tax our spare.

They tax us living,  
They tax us dead  
They tax our blanket,  
Upon our bed.

They tax us often,  
They tax us well,  
Betcha 5 Dollars—  
They'll tax us in hell.
