NEW UNIT CHIEF

OF TVA ARRIVED

HERE THIS WEEK

Basin; Shallibo Leaving

J. D. Blagg, unit chief of the engi-neeting service division of the Ten-nessee Valley Authority, arrived in Murphy Wednesday morning and said he would be located nere permanent-ly to survey the basin of the Cole-man Shoals site that is being con-sidered as a possibility for a \$13,000,-t00 TVA dam.

George D. Whitmore, of Knoxville, director of au veys for the Tennessee Vall y authority, is expected in town

Mote than 150 people attended the annual get-together meeting held at the Folk School at Brasstawn W(d-nesday, according to G. W. Candler, local merchant.

The annual affair was said to have

again about Friday.

Murphey, N. C., Friday, July 6, 1934.

Vo. XLV,-No. 49.

OFFICIALS ARE IN SYMPATHY WITH NEW ROAD

Witherspoon Says FERA And Highway Commission Will Cooperate On Project.

Given assurance of hearty cooperation on the construction of four miles of road from Murphy to the Tellico mountains, Don Wither-Tellico mountains. Don Wither-spoon, local attorney, and W. B. Wessels, owner of the Wessels lumber company, returned from Raleigh Sunday where they had conferred with the State Highway commission heads and FERA authorities.

Last Friday_the delegation with E. B. Jeffries, chairman of the State Highway and Public Works commission, and Charles B. Ross, attorney for the commission, for the purpose of developing the road that would bring approximately 100 million fect of lumber to Murphy for an outlet rather than Tellico Plains.

"The commission stated itself as being in sympathy with the proposal." Mr. Witherspoon said. "However, the funds of the commission are limited and state funds could not be used altogether, we learned. The commisskn realized that the construction of We realized that the construction of this road should be an integral part of the state highway system and it is believed a proposition can be worked out whereby with such in-strumenialities, state highway 'funds could be used under law if working is conjunction with FERA funds."

J. C. Walker, district engineer at to come liheville, will be instructed to Murphy and work out the situa-tion so construction can be started

on we construction can be scatted on we road in the near future. His first move will be to go over the route and select the exact location. Mr. Witherspoon said S. W. Moss, head of the FERA, will come to Mur-phy next week to confer with local affinite a lock into the proposition officials and look into the proposition himself. Mr. Moss was said to be impressed and thinks federal aid should be excended in this direction to unimployed men and their fam-lies

Mr. Wessels has made a public statement that he wishes to bring his humber here and ship it through this point rather than ship it on the other side of the mountains. He already public (Continued on page four)

SEVEN INJURED AS CARS CRASH MONDAY NIGHT

Cars Demolished But No Sericus Injuries Received Three Miles From Here.

Seven persons were injured when two cars crashed on No. 10 Highway about three miles from Murphy Monday night. The injuted were A. R. Stalcup, 45

The injured were A. K. Stalcup, 45 head lacerations; Horace Stalcup, 20, broken i.bs; Glenn Stalcup, 27, cut eye; Lak Stalcup, 13, cut eye and broken nose; and Charles Stalcup, 7, cut eye. Bob Forrester and Paul Kindrell, of Plairsville, Ga., were slightly cut and Folk School Holds slightly cut.

slightly cut. According to Glenn Stalcup, driv r of the car in which his father and three brothers were riding, the fam-ily was running about 30 miles per hour out the highway when they crashed into the car in which Bob Forrester and Paul Kindrell were sit-ting on the left side of the road. Stalcup said the lights were out on the other car.

Stalcup said the lights were out on the other car. The immact drove Kindrell's Chev-tolet coupe about 30 yards down the road and turned it over. The Stalcup Ford Roadster was badly mangled by the force of the crash. Frank Ellis brought the Stalcup family to town where Dr. Hill admin-istered first aid to the injuries none of which proved serious. They return-ed home.

ed home. Sheriff Mason said he went out and gat the men from Blairsville but A. R. Stalcup requested that they be freed and an attempt would be made

to settle out of court.

COLEMAN SHOALS IS IDEAL SITE FOR DAM TOPOGRAPHIC SURVEY SHOWS

BY SAM CARR

"To see is to know." So goes the old adage.

old adage. What with all the talk in town lately about the dam, we decided to see what we could do about supply-ing definite information on the sub-ject. Nobody outside of the Author-ity itself knows where the dam will be. We figured if we could see just what was going on down at the Cole-man Shoals site, we could at least pass on that much authenic information to the public that is interested. As the old saying goes it might be built anywhere between hell and Bel-fast, but we aimed to see and to know as much as we could about the only site we're particularly interest-

have a pretty good idea.

Minus poles, tripods, compasses, and snake anti-toxin, with a heart full of hope, a shoe-box full of lunch, and a loaded comera, C. W. Bailey and the unfortunate writer cranked up and lit out for the site.

A Rotarians were assisted in the wrparation and serving of the supper by the Rotarians. A brief program was carried out in which there were short addresses by H. Bueck, president of the Murphy Lins club. R. W. Prevost, presi-dent of the Andrews Rotary club, the Rev. Stewart Long of the Murphy the, D. H. Tillit of the Rotary club. The Rev, and Mrs. Herbert Baucom and Sam Carr of Murphy were intro-duced as guests of the Lions club; Edwin Whitaker, and S. W. Black of Rww- Gity. and the Rev. Maurice Blachard of Bullsgap, Tenn. were in-troduced as guests of the Rotary club. Mr. Black who is a member of the Rotary club of Bryson City made a heat the. This event has for some time been C) and lit out for the site. It's about sixteen miles down there and after you turn off the road to Unaka, the going gets pretty bad. Big rocks and streams in the road make them almost unpassable. Much of the road right down to the site has been built up so the TVA cars can pass over them.

Suddenly you turn out on the south side of the Fowler Bend, then turn west and follow about three-quarters of a mile back down the river toward the west. At the Coleman Shoals where the

local site is being considered, the Hiawassee runs a little less than 100 yards wide. It is shallow, having a maximum depth of about five feet and the bed is practically all rock.

Two mountains rise very high and steep on either side. Sloping at such an angle that it requires a great deal of labor to walk up them (and forc-ed in some places to crawl) they rise about 400 feet and the top of the mountain is 1690 feet according to the surveyor's stakes. This would be about 70 feet higher than Murphy above sea leve. The river in its 31-mile course to Appalachin falls 360 feet or a little over 11 feet per mile. A narrow trail Zas been cleared up both mountains from the site. Two mountains rise very high and eep on either side. Sloping at such

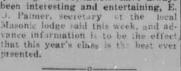

A narrow trail Zas been cleared up both mountains from the sits. On the far side of the river at that point, a drill had been installed, but apparently no drilling had been start-ed at that time. The drill will be used to study the rock bed of the river at that particular locatior. While fording the river a long pole was dragged over the bottom and it was practically all rock. However, there was no way to determine the depth of the rock. About a half a mile west and ap-proximately 100 yards inland on the lopposite side of the river, the begin ning of the tunnel, that is to " run through the mountain to the place where the river cuts back after it bends, was located. There is another clearing there

bends, was located. There is another clearing there that runs for almost a mile over the mountain to the power house. The width and mountainous approach of the river on that side of the bend is (Continued on page four) As far as fire-works were con-cerned, the local communities were comparatively free of noise. There were no reports of any serious acci-dents of any tature in this part of the courty.

OXFORD ORPHANS WILL SING HERE MONDAY EVENING BROKEN NECK IN

The appearance of the singing class of the Oxford Masonic Orphan-age next Monday night, July 9th, in Mutphy will be more than ordinary interest because June Davis, a Mur-nhe siel, is a member of the class Survey Of Coleman thei year.

this year. June is 8 years old, the daughter of E. E. Davis a former clerk of super-ior court, and a grand daughter of dirs. Dixie Palmer, She has blen in the orphanage for shout two years. Two brothers, Jimme, 13 and Robert, 16, are glso in the orphanage but are not members of the singing class. Local Masons are expecting a full hous when the class appears at the school auditorium next Monday night, July 9. The program of solos, duets, quartets and recitations have always been interesting and entertaining, E. J. Paimer, secretary of the local

Many Attractions Held All Over County For Holiday Celebrators.

Hundreds of people came in to town Wednesday for the big Fourth of July celebration here and attend-ed the two ball games and the dance that was sponsored by the Joe Miller Elkins post of the American Legion. Arriving in the early morning, the testive spirit of the crowd bid fair to the dampened by the storm clouds that came up later in the day, but celebration was spared a dienching. After booming in the morning busi-ness came practically to a stand-still as time for the two baseball games colled around.

Everywhere there was evidence of a holiday. Everybody was all dress-ed up and happy. Some of the local ptople took the day off and headed out for the mountains to iish or picnic.

A hugs crowd had assembled at the A hugs crowd had assembled at the ball ground in time to see the first game start at 2 o'clock. Murphy won the first game rather easily from Tel-lico Plains 15-2. Lloyd King was the star of the game letting the Tellico Plains team down wish five well-scattered hits.

scattered hits. The other game with Aquone at 3: 15 was forfeited in the first half of the sixth inning. According to manager Hickman, Murphy gets credit for the game 9-0 although the score was tied up at 2 and 2 at the time of forfeiture. J. N. Hill had pitched five innings of good ball and weakened. When pitchers were chang-ed the visiting team forfeited. A big round and square dance was held in the New Gym Wednesday night that not only attracted the large crowd that attended the ball games but namy ou-of-town frolie-ers as well. The dance lasted late and everybody went home tired. From reports received almost every town in this part of the country had a big affair of some kind on the Fourth.

According to word from Andrews there was no celebration there on Wedntsday. Although quiet most of the people were reported to have come to Murphy or Marble for the festivi-tits or else gone off to the moun-tains on hikes, swims, fishing trips, and the second second second second second second tails on hikes, swims, fishing trips,

Driver And Baby Unhurt As Truck Smashes Into Ditch Mile From Here Sunday.

Thrown from a truck in which be was riding, Joe Crow, 49-year-old Shoal Creek farmer, died with a brok-en neck en route to the hospital kree Sunday afternoon. The accident hap-pened about a mile west of Murphy on Highway No. 28.

on Highway No. 28. Bill Crow, son of the victim, when driving the truck at the time of the avoident, according to investigators. Crow was holding a baby in his lap, and is add to any soldenly grabbed the steering wheel and pulled the truck over in a ditch. The truck ran down the ditch nearly 100 yds, before Joe Crow and the baby were thrown con. Crow's neck was broken, and he baby's log alightly injured. The avoid and out. an was not must.

A saving CCC truck picked up the victims and brought them to the Petrie hospital here. Crow was dead upon arrival and was conveyed to his home near Suit. Sheriff Mason, who investighted the accident, said Monday no arrests would be made.

would be made. Many people of this section re-member Crow as the brother of Jim Crow, who was chief of police in Mur-phy about 15 years ago. Funeral services were held Monday afternoon at Shady Grove church, near Suit, Crow is survived by a wife and 11 children; Bill, Bossie, Tiny, Ernest, Lorine, Hayden, Pearl, Faye, Frank, Polly and Martha, all of Suit; his father J. G. Crow, of Unaka; Two brothers, W. T. Crow, Madisicnville, Tenn., and J. C. Crow Unaka; five sisters, Mrs. A. S. Mose, Mrs. George Crawford and Miss Kate Crow, Unaka; Mrs. George Moore, Martins Creck, and Mrs. A. R. Bur-rell, Kennesaw, Ga. C. B. Hill, of Murphy, was in charge of funeral arrangements.

Hampton Memorial **Revival To Be Held**

On Monday evening, July 9, at 7: 30 o'clock a revival will begin as Hampton Memorial M. E. church. The Rev. C. C. Benton who will assist m ine services is expected to arrive with Mrs. Benton and ais son, Paul, on Monday. The Rev. Br. Benton is pastor of the First M. E. church of Canton where he is in his fourth yea-of service. He has had wide ex-perience in evangelism, and we are expecting a genuine revival. Everyone is heartily welcomed at all services. Sunday morning, July 8, at eleven o'clock the som -innual installation of Epworth League officers will be held. Plans are under way for an im-pressive service, and everyone is in-vited to attend. Those taking office will be:

ed the visiting team forfeited. A big round and square dance was held in the New Gym Wednesday night that not only attracted the large crowd that attended the ball gemes but nany ou-of-town frolic-crs as well. The dance lasted late and everybody went home tired. From reports received almost every town in this part of the country had a big affair of some kind on the Fourth. Markie Teports the biggest event ever held there. It was estimated that well over thre thousand pople attend-d the spectacle they provided. A series of prize-winning events at-tracted the crowd. Boxing matches were held. Herefore the country for the country had the spectacle they provided. A series of prize-winning events at-tracted the crowd. Boxing matches

Mr. W. D. Townson **Recovering Rapidly**

Mr. W. D. Townson was up and around town Wednesday on the road to recovery from a recent serious ill-

Mr. Townson has been sick for the past four weeks and returned only several days ago from the Fort San-ders Hospital in Knoxville, Tenn., where he was confined for treatment for 12 days.

NOTICE

The County Commissioners of Cher-okee County decided to extend the date of advertising taxes from June 30, 1934, to August 1 1

The annual affeir was said to have drawn its usual large crowd of visi-tors from all over the county. The Women's club of Brasstown were in charge of the meeting and gave a dinner to the many people that attended. Several talks were made in the form af comparison of the school of the old days and its new features showing the improvement of the pro-ple in that community and the subse-quent progress they have made. Those speaking on the program were: Mrs. John C. Campbell, Fred Scroggs, Julius Martin and Mr. Cand-ler, of Murphy. Mr. Candler reported that the meeting was very delightful and that it was enjoyed by everyone.
