New Alkaline Powder Recommended to hold FALSE TEETH

If you have sore gums or your plate drops—if you are self conscious or nervous and your plate will not "stay put"—you should use FASTEETH. You will be delighted with the comfort and security afforded by this new alkaline adhesive powder. The mild alkalinity of FASTEETH prevents an acid sore mouth and gums and keep plate firmly in place—because it holds its consistency longer and will not seep away. Sweetens breath. Allows you to chew your food properly. Buy FASTEETH today at any drug store.

BIRCH NEWS

BAPTIST CHURCH NEWS

The Rev. H. W. Baucom, Jr., said Wednesday that the church conference last week showed a marked improvement in all departments.

The Baptist public school commencement was held in the church Sunday night and in spite of the inclemency of the wather a large crowd attended.

Each of the departments put on a program representative of the work they had done during the session and handiwork exhibits were on display.

Certificates were given to about 50 pupils for perfect attendance and good work.

The school closed with an enrollment of 139 pupils and an average attendance of over 100 was maintained over the two weeks period.

Pupils and teachers gave splendid cooperation, the pastor said.
