Fare Enough

First Bridge Party

In an unfamiliar atmosphere the professor was trying to make conversation.
"The Romans were fond of card games," he said.
And the sweet young thing responded eagerly, "Oh, yes, I know; wasn't it a man called Horatius who held the first bridge party?"—Tit-Bits Magazine.

LISTENING IN

"What are you snoozing out here in the field for? Are you a tramp?"
"No, officer. I'm merely a statesman wot fell asleep with his ear to the ground."

DOC KNOWS

Doctor—You are badly in need of change.
Patient—I know it, doctor, but I guess I can raise enough to pay your fee.

First Philologies

"Do you think the English speak better English than Americans do?" asked the educator.
"No, sir!" answered Senator Sorgum. "Why, our political vocabulary includes basic monosyllables that the English forgot years ago."

Journalistic Advice

The Youth—How would you advise a writer who has neither grit nor polish?
The Editor—Get to work on some sand paper.—Detroit News.

Not So Well

An absent-minded professor was walking down the street one day with one foot in the gutter and the other on the sidewalk. A friend met him and said:
"Good afternoon, professor; and how are you today?"
"I was well, I thought; but for the last ten minutes I've been limping."—Washington Post.

TIGHTWAD

"Haven't I given you practically every penny I earn?"
"I should say not! I've positively had to drag it out of you."

LIFE'S LITTLE JESTS

DIDN'T SEE IT

The golfer stepped up to the tee and drove off. The ball sailed straight down the fairway, leaped onto the green and dived into the hole.
"What have you suddenly gone crazy about?" asked the golfer's wife, who was trying to learn something about the game.
"Why, I just made a hole in one!" yelled the golfer, a wild gleam of delight in his eyes.
"Did you," said his wife placidly.
"Do it again, dear. I didn't see you."
—Stray Stories Magazine.

FAIR AND WARMER

First Reporter—I ran the "How To Keep From Catching Cold" column during the winter.
Second Reporter—What are you doing now?
First Reporter—In charge of the "How To Keep Cool" column.

Sunk

Two old settlers, confirmed bachelors, sat in the backwoods. The conversation drifted from politics and finally got around to cooking.
"I got one o' them cookery books once, but I never could do nothing with it."
"Too much fancy work in it, eh?"
"You've said it! Every one o' them recipes began the same way: 'Take a clean dish—' and that settled me."—Modern Woodsman.

Only an Intelligent Look

Porter—Where's your trunks, sir?
Salesman—I use no trunks.
Porter—But I thought you wuz one of them travellin' salesmen.
Salesman—I am, but I sell brains, understand? I sell brains.
Porter—Scuse me, boss, but you is de furst fella that's been here who ain't carrying no samples.—American Mutual Safety Bulletin.

She Had 'Em

Having need of some small change, the mistress of the house stepped to the top of the back stairs.
"Bessie," she said to the maid below, "have you any copper's down there?"
"Yes'm—two," faltered Bessie, "but they're my cousins, please, m'm."

Willing to Help

"Will you help a street cleaner who has nothing to do, sir?"
"Sure, I'll be glad to throw something in your way."

CHOICY (?)

"Did you ever love another girl as you do me?"
"Never, no other girl I ever met would let me."

Too Few Words

"Mrs. Angus McTavish seems to be having an awful time writing her telegram."
"Yes. She's trying to tell her husband what she thinks of him in ten words."

No Experimenting

"Darling," in tender tones, he cried, "I never loved but thee!"
"Then we must part," the maid replied.
"No amateurs for me."

Simplicity and Chic in Morning

PATTERN 9316

It's as fresh as the morning dew! And it was designed for all those clever women who like to put in a smart appearance at the very beginning of every new day. Three or four dresses made up by this pattern would solve all your house frock problems. And the expense will prove trifling. Moreover, this pattern has been designed so simply that to follow it will seem like a first lesson in sewing. The yoke and sleeves all-in-one with a bit of bodice fullness below, and the decorative pocket make this frock very smart indeed! Percale or gingham in gay plaids or small geometric designs would be effective. Add nobby cork or wooden buttons.

Pattern 9316 may be ordered only in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 requires 3 1/4 yards 36-inch fabric.

SEND FIFTEEN CENTS in coins or stamps (coins preferred) for this pattern. Be sure to write plainly your NAME, ADDRESS, STYLE NUMBER and SIZE.

Complete, Diagrammed Sew Chart included.

Send your order to Sewing Circle Pattern Department, 232 West Eighth Street, New York.

FOLLOWED PRESCRIPTION

Police Sergeant—It's a case of larceny, isn't it, sir?

Doctor—Er—not exactly, sergeant. You see, I told him to take something warm immediately, and as he went out he took my overcoat.—London Humorist.

Misunderstanding

The Collector—These antique andirons are hand forged.

The Chump—Forged? Well, well! What astonishingly good counterfeit-felts they make now.
