Murphy's third and last run came in the ninth inning when Eddie Plesco hit safely and came in on Boyd Brendle's single.  
Copperhill scored one run in the second inning and three in each of the third and fourth innings. Earwood hit a home run over the short right field fence in the third with two men on.  
Four of Murphy's five hits were doubles and no man got over one hit. Both Fowler and Turner of Copperhill got two hits out of three time at bat. Brendle batted 1000.
