MIKE CLARK OFFERS HIS SERVICES TO THE PARTY

hon. jim farley, p. m. gen., care of dimmercrat headquarters, washington, d. c.

please rite or foam at once and let me know if yiu could use a firstclass stump speaker enduring the campane versus the republican party.

the undersigned, hon. mike Clark, rfd, is considered the best campaigner in this community, and can sway a bunch of republicans and grass roots and socialists into the dimmercratic folds in less than 5 minutes.

if you will hire me at 3\$ per speech plus all expenses for bored, clothes, a ford to travel in a shofer, and a pretty blond stenographer, I will begin work at once and kiver anny territory placed in my charge ansoforth.

my voice carries a great distance and is verry impressive. i have fetched tears to a crowd at a picnic, and when i talk at churches and other religious gatherings i keep the congregation crying and shedding crockerdile tears for 3 or 4 weeks thereafter.

when i get up on toy of the stump and review the great work the present add-ministration had done to pull the farmer out of the miry clay of distress, and to keep the man who earns his living by sweat of his brows from starving to death, the crowd always yells till they get red in the face ansoforth.

if you have a section where the dimmercrats who have not got enough direct relief to satisfy them and they are wavering in their minds about who to vote for just turn them over to me, and i guarantee that each and every one of them will vote from 4 to 6 times each for the present add-ministration and will carry their households with them. i will report on 2 days notis if you send 25\$ in expense money at once.

yores trulie,

mike Clark, rfd, died-in-the-wool dimmercrat.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." . . . If Cardui does not help YOU, consult a physician.

forth when geo. washington and tom jefferson and john hancock rote the declaration of independence of the u. s. and sined it in fily-delphy, and it remained dimmercratic for a few pressidents and then the republicans took it over, but it was recovered ever few years and re-civilized.

it was recovered again in 1933 by the dimmercrats, but it was almost too late, as the u. s. was ruind by big bizness, and givving the furriners a mory-torium on their war debts, which, being translated into english means—that they have benn canceled, but purely as the constertution was rote on that day after the reverlutionary war.

ever since the constertution was signed, it has been in charge of the suppreme coart and now they will not let congress do nothing without their consent ansoforth it makes everboddy equal with special privverleges to none unless they are members of the liberty league and are against the poor farmer and the laboring man.

Why Gulf is the Gas for July

"IS IT COOL OUT THERE, GIRLS?"
Well, it's hot most of the time on shore. July requires a gasoline that's made to a special hot-weather formula. Otherwise, you don't get the mileage you pay for . . . part of the fuel escapes out the exhaust unburned, wasted. Ask for *That Good Gulf* in July—its formula fits the weather. And because it's "Kept in Step with the Calendar," all of it goes to work, none of it goes to waste. Try a tankful.
