## 33 MORE HOUSES AT DAM WILL BE FINISHED SOON

### Will Bring Total In Camp To 75; Have All Been Assigned

Thirty-three temporary houses, which have been under construction for the past several weeks at Hiwassee dam site will be completed by the end of the week, according to W. B. Richardson, field superintendent for the construction and maintenance division.

The exterior walls of the houses are made of homasote, a water proof building board, which is not fire-proof, but is fire retarding, and have galvanized metal roofs. There are three types of houses, a single house with two bedrooms, a combination living room-kitchen, a single house with three bedrooms, a combination living room and kitchen, and a duplex house, with two bedrooms, and a combination living room and kitchen.

The houses, unlike the other houses in camp, will not be equipped with electric stoves, electric refrigerators, or hot water heaters. There is an outlet for an electric kitchen range, but there are no outlets for electric heaters, nor are the houses piped for hot water. The houses are equipped with sanitary plumbing and are wired for electric lights.

The duplex house will rent for \$10 a month, the two bedroom single house will rent for \$13 a month, and the three bedroom house will rent for \$14 a month.

The houses have all been assigned, and will be occupied within the next month.

The present plan is to build 60 additional houses, along the same design and construction. They will be completed by the first of February. At present there are 75 houses in camp, 42 of which are constructed for permanent use.

Three of the houses are built of special design, and are occupied by C. E. Blee, Project Engineer, O. Laugaard, Construction Engineer, and Lex Phifer, Construction Superintendent.

## TWO LOCAL MEN GIVEN PERMITS TO TAKE PART IN ANNUAL PISGAH HUNT

Grover Mauney, highway employe of Murphy, and Dr. M. W. Howard of the TVA medical corps at Hiwassee dam, are among those fortunate sportsmen who have been granted permits to take part in the fourth public big game hunt in the Pisgah national game preserve.

Opening on November 1 and continuing through December 10, the hunt will be held over the entire 100,000-acre preserve with both bucks and does being hunted for the first time. Two thousand and five hundred sportsmen will be allowed to participate.

The announced hunt is the outcome of careful investigation by State and Federal authorities which reveals that the preserve is heavily over-stocked and the welfare of the herd demands continued reduction to prevent starvation and disease. The distinct "deer-line" is in evidence, and severe losses as well as irreparable damage to timber and watershed protection are already evident. The general public is therefore to be given an opportunity to benefit by this surplus supply.

The Pisgah National Game Preserve has been under the administration of the U. S. Forest for the past 23 years. The magnificent deer herd now on the areas is the result of diligent protection and careful management in accordance with the established policy of the U. S. Forest Service to manage the national forests, not only to produce timber and protect watersheds, but for other benefits to the public, such as hunting, fishing and recreation, which are developed under multiple use plans.

14,000 acres of wilderness forest will be open to sportsmen who really want to rough it. Here they will be allowed to hunt and camp on their own. Hunting under these conditions must necessarily be arduous and stren-

## Large Crowd Expected At Open House

A large crowd is expected for the opening of the community building and dance at Hiwassee Dam Friday evening. An open house will be held from seven until 8:30, at which time the preliminary program will be given.

J. M. Seviens, and his orchestra, consisting of five members, will play several selections of mountain music at this time.

C. E. Blee, project engineer, has been asked to secure a speaker to give a short welcome address, and it is hoped that Dr. A. E. Morgan, chairman of TVA, will attend the open house, and give an address. Dr. Morgan will attend the meeting of the American Society of Civil Engineers at Asheville and address the dinner meeting there on Thursday, and will possibly stop at Hiwassee Dam enroute to Knoxville. Mr. Blee has been asked to introduce the speaker.

The dance will begin at 9 o'clock, with the music being furnished by George Rodgers orchestra of Chattanooga. Square dances will be conducted in the Adult Education room of the community building, and J. M. Seviens and his orchestra will furnish the music.

Among the out of town guests who have accepted invitations to the celebration are Verne Gongwer, C. A. Bock, Assistant Chief Engineer, T. B. Parker, Chief Construction Engineer, and Dr. E. L. Bishop, Head of the Health and Safety Division.

## Pruden Davidson Is Honored on Campus

Additional collegiate honors were bestowed upon Pruden Davidson, son of Mr. and Mrs. Jerry Davidson, of Murphy, when he was elected into the 30 and 3, North Carolina State college Sophomore Leadership group, recently.

He has also been selected for membership in the American Institute of Electrical Engineers, and holds the highest position on the editorial staff of the college publication, "The Technician" by virtue of being his managing editor.

## HERE'S CHANCE TO CASH IN ON EMBARRASMENT

It may have been the dickens for awhile, but you can now cash in on your Most Embarrassing Moment.

The Scout, through the cooperation of the Henn Theater, each week will award two tickets to the persons sending the best account of his or her Most Embarrassing Moment.

If your wife found a powder puff in your car, or if you lost your bathing suit, or if you kissed the wrong girl in the dark—don't hesitate. This is our chance to get your fun out of the situation after all.

No names will be printed on the accounts, if it is so desired. Simply state the circumstances under which your most embarrassing moment occurred and send to the Cherokee Scout. For each one printed the Scout will give two tickets to the Henn theater.

## Boomers Will Play At Copperhill Friday

The Boomers team will go to Copperhill Friday afternoon to take on the Copperheads in what is supposed to be one of the stiffest tests of the local team's schedule this year. A large following is expected to accompany the team. The Basin team will seek to avenge a defeat at the hands of the Boomers on the Murphy field last fall.

Last Friday Murphy showed its most powerful strength of the year in holding the strong Sylva team to a scoreless tie here.

A number of important changes have been affected in the Murphy line-up and a versatile attack will be launched against the Copperheads.

## REV. S. H. LONG WILL LEAVE FOR NEW PASTORATE

### Has Been In Charge Of Churches in This Area For Four Years

The Rev. Stewart H. Long, who has been pastor of the Presbyterian churches in Cherokee, Clay and Graham counties for the past four years announced this week that he would leave on Nov. 1 for Washington, Ga., where he will accept a new pastorate.

Shortly after coming to Murphy, Rev. Long married and he and his wife have been prominent in religious circles throughout this section during their stay here. They have won the esteem of all with whom they have associated, and their acquaintances are very sorry to see them leave.

They have one small son. No appointment to fill Mr. Long's place has been announced.

Concerning his departure Rev. and Mrs. Long have issued the following statement.

"To our many friends in Murphy: I have received a call from the Presbyterian Church at Washington, Ga., and I feel it to be God's will that I accept it. Therefore, acting upon my

## Qualifications For Trophy Are Described

Candidates for Murphy's outstanding citizen award will be nominated at the next regular meeting of the Murphy Lions club Tuesday night.

Dr. E. E. Adams, secretary of the club, officially announced this week that both men and women would be eligible and that the one to receive the trophy would not have to be a member of the club.

After the nominations are made Tuesday night, the most outstanding citizen will be chosen at the following meeting on Nov. 9. Appropriate exercises will accompany the awarding of the trophy, Dr. Adams stated.

The most outstanding citizen will be chosen on the basis of the following qualifications: spiritual leadership or activity, civic leadership or activity, business leadership or activity, educational leadership or activity, and home leadership or activity.

"All phases of these qualifications will be taken into consideration", Dr. Adams said. "This trophy can be awarded to either a woman or a man, and is not based upon popularity, congeniality or reputation alone. The trophy will be awarded by vote upon known deeds or acts. The vote will be based upon 20 per cent for each qualification".

## Ministerial Meet Will Be Held At Red Marble

A ministerial meeting will be held at the Red Marble Baptist church Sunday, Oct. 31, according to an announcement Tuesday by the Rev. Edgar Wilix, moderator, of Andrews.

Everyone is cordially invited to attend the meeting.

## J. R. King To Preach At Methodist Church

The Rev. J. R. King will fill the pulpit of the Methodist church Sunday morning in the place of the Rev. W. Arthur Barber who is now attending conference.

Morning services only will be held it was announced.

## APPLICATIONS FOR FARM LOANS FOR NEXT CROP YEAR BEING TAKEN

Applications are now being received by the Farm Security Administration for rural rehabilitation loans for the next crop year, John Shields, County Supervisor in charge of the Rural Rehabilitation supervised loan program of the Farm Security Administration in Cherokee County, announced early this week from his office in Murphy.

Mr. Shields stated that a considerable part of the work of his office consists in assisting Rehabilitation farmers to make out practical Farm and Home Management plans and in advising them in their farming and home operations. "In order that maximum attention may be given to that important phase of the work next spring we are doing what we can to spread the lending activity over a longer period. Farmers thought to be qualified for these loans should therefore be advised to make their applications early this fall," the Supervisor said.

"These loans are limited within the bounds of allotted funds to financially distressed farm families—whether on their own land or as tenants on rented land—who are unable to secure proper credit from other sources to make a crop or to purchase needed livestock and equipment."

"Eligibles must be willing and able to work and show ability to profit from instruction and guidance. There must be land, arably available or obtainable, of sufficient fertility to promise a satisfactory return on human labor intelligently applied, and there must be a reasonable probability that a successful farm and home management plan can be worked out for the farm. In working out these plans special emphasis is placed on the production of sufficient food and feed crops for all the people and livestock located on the farm, thereby eliminating the necessity of producing

## MIXED SESSION OF COURT WILL CONVENE NOV. 8

### Sink to Preside over Civil, Criminal Dockets, Juries Named

A regular session of Cherokee County Superior court for the trial of civil and criminal cases will convene in Murphy on Monday, Nov. 8. Judge H. Hoyle Sink, of the 20th district bench, is scheduled to preside.

Although moderately heavy dockets will confront the jurors for the scheduled two-weeks term, no particularly important cases appear on the books.

The following jurors have been selected: First Week—Henry Sudderth, route 1, Murphy; Noland Wells, Murphy; Walter Burgess, Unaka; Arthur Shields, Culberson; T. P. Calhoun, Murphy; Johnson Patton, Oregretta; C. A. Pulliam, Andrews; Clayton Mason, Brasstown; Oscar Davis, Unaka; F. A. Mosteller, Andrews; Dave Carringer, Murphy; George Patterson, Andrews.

Second week—Frank Ingram, Murphy; George Rogers, Murphy; W. H. Sudderth, Murphy; Henry Kephart, Grandview; W. M. Roberts, Murphy; Ed Barber, Culberson; N. B. Odell, Grandview; Cleve Allman, Andrews; D. A. Keener, Tomotla; Pearl Johnson, Unaka; Glenn Hendrix, Murphy; W. E. Conley, Andrews.

A. L. Reagan, Andrews; John Deal, Brasstown; Lloyd Kisselburg, Culberson; J. B. Hall, Marble; John Davidson, Murphy; P. A. Mauney, Murphy; Bob Peek, Murphy; Walter Walker, Andrews; E. E. Stiles, Murphy; K. W. Shearer, Hiwassee; John Garren, Marble, and Will Pulliam, Andrews.

The jury commission is composed of H. M. Whitaker, chairman; D. M. Reese, secretary, and T. J. King.

## Crockett Infant First To Be Born At Damsite

A. L. Crockett, Jr., the one-week-old son of Mr. and Mrs. A. L. Crockett, has the distinction of being the first baby born at Hiwassee Dam.

He was born Thursday morning Oct. 15, and weighed 8½ pounds. The mother and baby are in the TVA hospital and both are getting along nicely.

Mr. and Mrs. Crockett make their home in Proffitt Heights, and Mr. Crockett is in the Camp Management Division.
