### GREAT INTEREST IS BEING SHOWN IN FREE MOVIE

### Housewives Will Get Many Tips From This Interesting Film

A welcome invitation to the wise is sufficient. Evidently the Cherokee Scout will not have to get out engraved announcements for that reunion of homemakers Wednesday, Thursday and Friday morning, Nov. 17th, 18th and 19th, at 1 A. M., at the Henn Theater.

Good news does travel fast, particularly when it is news of a gala party for the community, with gifts with quality entertainment cheered, cheered by jollity and novelty, and spiced with knowledge—all served hospitably by the Cherokee Scout.

No door cards, coupons, printed invitations, or cash will be needed; just the countersign of all alert housekeepers, who are due to say "Show me the latest home ideas," when they advance on Henn Theater at 10 A. M. Wednesday, Thursday and Friday, Nov. 17th, 18th and 19th.

Showing every person in every theater seat the triumphant new 1937 Cooking School direct from Hollywood, will be no problem, for motion picture ingenuity has joined forces with scientific homemaking to produce an original laboratory course that deftly combines romance, sprightly humor, originality and profitable instruction.

All of the popular features of the former Cooking School are here: The free recipe sheets, the atmosphere of congenial informality the wise counsel the hints on clever short-cuts the up-to-the minute suggestions for entertaining the demonstration of delicious and nourishing dishes, the array of modern kitchen equipment and the distribution of daily gifts and real surprises.

All those elements of fun and profit have been retained, and all are made doubly worthwhile because every guest of the Cherokee Scout will have an individual close-up of every process.

This scientific new laboratory of ideas has graduated out of the class where hundreds of women craned their necks in a vain attempt to see what was happening on the stage, or assailed the lecturer with plaintive cries: "Hold it up high, where we all can see."

Now the camera will make the course truly fascinating and valuable, with remarkable close-ups of each process in a series of model, conveniently equipped kitchens; real, workable kitchens, (not the synthetic, false-front variety,) where trained homemakers will plan, measure, blend, mix and complete appetizing cakes, pies, salads and meat dishes that look as though they could be picked right out of the picture and eaten on the spot.

Keeping pace with the baking, roasting and frying, a series of salads and frozen delicacies will parade in and out of the adaptable electric refrigerator, which will reveal its host of possibilities for simplifying labor

### Weather Vane

Following are maximum and minimum temperatures for the past week compared with temperatures for the same period last year:

Date	1937		1936	
	Max.	Min.	Max.	Min.
26	61	38	66	57
27	53	32	61	44
28	56	39	59	42
29	66	26	63	42
30	84	30	65	32
31	82	35	68	28
Nov. 1	73	34	64	46

  

Date	1937		1936	
	Max.	Min.	Max.	Min.
Since November 1	3.83		4.05	
Since January 1	47.60		55.44	

### Miss Richardson Will Aid In "Cooking School"

Miss Aline Richardson, Cherokee county demonstration agent, will cooperate with the Scout in presenting this paper's free, cooking school all-color film, "The Bride Wakes Up", at the Henn Theater Wednesday, Thursday and Friday, Nov. 17, 18 and 19.

Miss Richardson, who will contact most of the ladies in the county between now and the time the cooking school is presented, can give any information on the film and will assist in presenting it.

Members of the school home economics department will also be in attendance.

### Dam Highway Road Forces Complete Work

Forces of the Codell construction company completed their portion of the work on the principal access road leading into the Hiwassee dam from Turtletown, Tenn., Wednesday and officials were moving out their machinery.

Codell, of Winchester, Ky., was awarded the contract to build the 12-mile road two years ago. Paving was done by TVA.

A crew of men under J. Scott Talbott first went to work on the road and constructed a 30-foot highway over the mountains.

The TVA covered it with calcium chloride. Later another surface was added.

The construction company has maintained a force varying from 10 to 35 men here since their principal work began to complete the secondary portions of their work.

Virgil Richardson has been the superintendent in charge of the project.

### Officers Seek Robbers Of T. Calhoun's Store

The Cherokee county sheriff's department Wednesday was looking for parties who robbed the store of T. P. Calhoun, three miles north of here on U. S. highway No. 19, of \$300 worth of merchandise early Tuesday morning.

The manager of the store, who lives in an adjoining house, told the sheriff's department Tuesday that he heard noises around the store, and that when he began to investigate the parties escaped in a "new automobile."

It was found the parties, which is believed to have been composed of three men, entered by jimmying a lock on a side door and later opening the front door.

Merchandise confiscated included everything from overalls to cigarettes and shot guns.

John Farrell of New York City requested a two-day jail sentence of Magistrate Morris Rothenburg so that he could keep sober and report for a job he had been promised.

### Two Dogs, Fox, Dove Electrocuted In Hunt

The Tri-state Foxhunters convention ended sadly for two dogs, a fox and a partridge, in one of the most freakish sports accidents ever recorded here.

As usual, some of the dogs in the last night's chase of the convention, which ended Friday, Oct. 29, were late straggling in. Especially were two fine hounds belonging to E. Bruce King, of Topston, missing.

The dogs were later found dead. It was reported that a power line wire of the Nantahala Power and Light company had broken near Ground Squirrel Gap in Valleytown township, where the final evening's hunt was conducted, and that it had electrocuted the two dogs, the fox, and a partridge.

### COMMISSIONERS HOLD MONTHLY MEET MONDAY

### Tax Certificates Discuss- ed, part of County Land Ordered Sold

The Cherokee county commissioners met in regular monthly session Monday at the court house.

Chairman of the Board L. B. Nichols, of Andrews, presided over the meeting.

The board voted to discontinue acceptance of "past due interest coupons or past due bonds or any other kind of interest coupons in payment of any taxes" after Jan. 1, 1938. Such payments may be made, however, until the first of the year it was decreed.

Col. D. H. Tillitt, county attorney, was designated by the board to collect tax sale certificates for 1935 with a 10 percent remuneration.

It was also voted to require all attorneys holding tax sale certificates to report their collections to the county accountant each week.

Two land deals were also made by the commissioners. In one instance the commissioners voted to sell part of the tract on which the county home is situated to the Tennessee Valley Authority. It was stated that water from the Hiwassee dam would cover up part of the tract, and 5.4 acres were order sold to the TVA for \$1,502.20.

The other transfer was in the matter of certain lands on which the TVA is making excavations at present.

Other routine business was disposed by the commissioners at the meeting.

### WAYNESVILLE TO MEET BOOMERS HERE SATURDAY

### Locals In Good Shape Af- ter Winning From Cherokee 21 to 13

The Murphy Boomers will meet their toughest foe of the season here Saturday afternoon when they take on the Waynesville Mountaineers.

This week Coach J. A. Pitzer was putting the locals through a hard workout in preparation for the game. Practice in blocking and tackling and strengthening on pass defense were the main principles stressed.

The Boomers are looking for a hard struggle as the Mountaineers laced Cherokee 34 to 0 several weeks ago. Last Saturday Murphy won over the Indians by a 21-13 score.

The coach says the Boomers will be in good shape for the tough going Saturday, and that unless something unforeseen happens, Hob Taylor and Nichols who were injured in the game with Cherokee will be able to play.

The Murphy Boomers downed Cherokee Saturday on the local field in one of the closest and hardest-fought contests ever seen here. The zig-zag score finally ended 21-13 in favor of the locals.

It was a nip and tuck, hard fought affair with the score changing four times in favor of first one team and then the other.

The scoring began on the first play from scrimmage. The Indians received, and the old "disappearing end" play was pulled wherein the Indian flankman hid close to the sidelines among his own players. A quick flip on the first play and he was off for 55-yard inaint down the field and a touchdown.

Nichols, of Murphy, also went over for a touchdown in the first quarter and Newman converted the point.

Junior Barnett scored for the Boomers again in the second period.

### Marriage License Not Worth \$5, But Wife Is

A marriage license may not be worth \$5 to Henry Jumper, Robinsville Indian, but a wife is.

Mrs. H. W. Giles, secretary in the office of Register of Deeds B. W. Padgett, said Wednesday that Henry and blushing Bessie Smoker appeared in the office for their marriage license.

She told them the fee was five dollars. "That's a lot of money for a little scrap of paper", Henry said. "But isn't a wife worth it?" asked Mrs. Giles.

Henry looked around at Bessie. "Yes'm", was his answer.

### Winter Course At Folk School Begins Monday

The John C. Campbell Folk school began Monday, Nov. 1, its four months winter term of study, practical work and play. Among those enrolled are a number of Cherokee and Clay county young people: Ruth Arrant, Ne Clayton, Willie Clayton and Elaine Logan, of Brasstown, Wallace Mussey, of Warne, Glen Holland of Andrews, and Ben Akin of Murphy. As usual there are several young people from Polk county and other mountain sections.

From the 14th to the 30th of November there is being held in Washington, D. C., an Exhibit of Rural Arts to commemorate the 75th anniversary of the founding of the Department of Agriculture. Mr. Allen Eaton of the Russell Sage Foundation in New York is Director of the Exhibit. The communities of Brasstown, Warne, and Martin's Check, will be represented in the exhibit with carving and weaving done through the Folk School.

The State Superintendent of Credit Unions, Mr. C. C. Booker, and the State Examiner-Auditor, Mr. D. R. Graham, visited Brasstown, Tuesday, November second. They audited the Credit Union books in the afternoon and held a meeting that night at the Folk School for members of the local organization and other interested friends.

### Three Murphy Students Enrolled at Mars Hill

Representing Murphy among the 665 students enrolled at Mars Hill College this fall are Miss Edith Breedlove, Miss Kate Robinson, and Hobert Rodgers.

Miss Breedlove is a member of the senior class which has 240 members enrolled this year. Miss Robinson and Mr. Rodgers are members of the freshman class which has an enrollment of 380 students.

### SHERIFF TO BUY CATTLE

Sheriff L. L. Mason announces he will buy all kinds of cattle at Frank Dickey's scales in Murphy on Saturday, Nov. 6. He said the market price will be paid.

"Your Honor, the woman is dance mad and cares nothing for home," testified Fred L. Marsh of Chicago in his divorce suit.

### Court Will Convene Here Monday Morning

The regular November term of Cherokee County Superior court will convene in Murphy Monday with Judge H. Hoyle Sink scheduled to preside.

The two weeks session will include the trial of both civil and criminal cases.

Although both dockets contain a number of cases, there are no outstanding hearings to be presented.

The usual large crowd is expected in town to attend the session.

### MURPHY SEEKS BETTER PHONE SYSTEM HERE

### Cherokee County Medi- cal Society Makes First Official Move

Murphy's first organized movement for a more modern telephone system was started when the Cherokee County Medical society drew up a resolution asking Southern Bell Telephone and Telephone officials "to install... modern equipment consistent with the needs and just privileges of their subscribers and favorably comparable to that equipment installed long ago in our sister cities".

The medical group drew up the petition Saturday, Oct. 27, when they met in regular session, and sent copies to the telephone company officials, the chairman of the North Carolina Utilities commission and to the Scout.

In the meantime a petition was being drawn up to be circulated among subscribers at large for a more modern system.

It was imminent that other civic and social groups in town would draw up similar petitions.

The movement for a "more up-to-date" telephone system locally began a week ago when a group of local citizens met to discuss the proposition.

The result was an editorial appearing in this paper last week, at the suggestion of local citizens, which pointed out that the local system was "outmoded and antiquated", while practically the same rates apply in Murphy that apply wherever the Southern Bell Telephone and Telegraph system operates in this section.

The medical society's petition is as follows:

The Cherokee County Medical Society, in regular session October 27, 1937, after full discussion voted unanimously to adopt the following resolution and to send copies to Hon. J. B. Gray, Mayor, Murphy, N. C., Mr. W. L. Lampkin, Mgr. Southern Bell Tel. & Tel. Co., Waynesville, N. C., Mr. Howell C. Barwick, Dist. Mgr. Southern Bell Tel. & Tel. Co., Asheville, N. C., Mr. W. E. Duncan, Carolina Mgr. Southern Bell Tel. & Tel. Co., Charlotte, N. C., Hon. Stanley Winborne, Chm. N. C. Utilities Commission, Raleigh, N. C., and Mr. Sam Carr, Editor Cherokee Scout, Murphy, N. C., with a request that he publish same in his newspaper.

THAT, WHEREAS: 1. Ninety-five per cent of the members of the Cherokee County Medical Society reside within the city limits of Murphy, N. C. AND WHEREAS:

2. Each member pays for from two to four telephones or extensions including owners or operators of our hospitals AND WHEREAS:

3. Due to the nature of our work the use of telephones is a necessity in conducting the major part of our business both to ourselves and our patients. AND WHEREAS:

4. All the local managers and operators of the Southern Bell Tel. & Tel. Co. are known to us personally, are known to be well experienced and efficient in giving good and prompt service, considering the equipment they have to work with. AND

### CRIPPLE CLINIC TO BE CONDUCTED HERE SATURDAY

The Health Department expects to have a Cripple Children's Clinic in Murphy in the High School building Saturday morning, November 6, from 9 o'clock to 12:30 Murphy time.

Dr. John Saunders, orthopedic doctor from Asheville, will hold this clinic.

Miss Apelt, who is the field worker for the Western end of the State, will be in this section from now through Saturday in the interest of this clinic.
