### New Library System Is Being Installed

By Frances Calhoun  
Monday morning in chapel, the new library system was explained to the High School students by the two librarians, Miss Heighway and Miss Entrican. Each English class will have one class each week at the library. They may spend the time by checking out books, looking up references, or reading the magazines and newspapers.

If this system proves satisfactory, the time may be changed to two classes a week.

Miss Heighway explained the new method of checking out books. First select the book you wish to read. Next, remove the card from the pocket in the back of the book and sign your name. Then, take the book and card to the librarian's desk to be checked.

#### NEW PUPILS

Richard Borden from Chattanooga, has entered the first grade.

### Undernourished Will Be Fed By Local Clubs

The Good Will Club, Junior Women's Club, and Woman's Club of Murphy have made plans to feed about twelve of fifteen undernourished children in the Murphy Schools. This will go into effect immediately. The children will be fed in the lunch room as the other children.

### On The Sick List

Billie Jackson, a senior, is recovering from an appendicitis operation at the Petrie Hospital. Her many friends will be glad to know that she is much better.

Praise Arp, a senior, is in the Franklin Hospital with an infected ankle. Her friends hope she will soon be able to come back to school.

Pauline Stiles, a senior, has measles. Hurry back to school.

Louie Little, a senior, has measles. Everyone hopes he will soon be back.

### Changes Made In Schedule Of Local Library

An important change has been made concerning the borrowing of books from the library. The former way was a bus schedule or those students who rode the busses in the afternoon on the bus, stayed for a minutes, then left.

Now, a plan has been developed. A schedule has been made for each English Class to go to the library once a week during the regular English Class period under the supervision of the teacher of that class. In this way it will enable the student to have help in finding their books, have time to look up references, and many other English matters.

Students assistants have been selected to help in checking in and out the books. This will give the librarians time to aid the students. Those selected to serve as student assistants are:

Seniors—Anna Jean Grant, Roberta Graham, Jim Kilpatrick, Kathleen Roberts, Gladys Craig, and Pauline Montgomery.

Juniors—Mary Frances Bell, Mary Frances Carmichael, Marcile Hall, Josephine Howell, Barbara Meroney, Grace Dockery and Lillian Raper.

Sophomores—Roberta Carringer, Kate Gray, Eloise Witt, Joseph Simonds, Emogene Voyles, Blanche Thompson, Helen Hampton, Mildred Hampton and Mary Lee Roberts.

Freshmen—Mary Porter Fain, Martine Moore, Virginia Richardson, Hansel Medlin, Reba Smith, and Alice Trantham.

Speaking of Cleaning ...

Our claim of perfection may sound more than a bit conceited ... but we believe that we are amply justified in so doing. Here's why! Our plant and equipment are up-to-date, modern and scientific ... we've had years of experience ... and our personnel are highly skilled at their trade! Send your cleaning to the Murphy Laundry and you'll agree.

#### MISS EDITH ALLEY

As students of Edith Alley's Home Room we wish to use this method of expressing our sympathy to her parents and paying tribute to her.

When Edith entered our class in the Fall of '36 we were a little awed by her brilliancy, how ever we soon realized that she was a leader. When everyone else failed to answer a question Edith could be depended on to save the class. Not only did she possess knowledge but she eagerly shared it. Besides her unusual ability she was the friendliest student in the class, and she had a smile that will never be forgotten. Edith never said an unkind word or did an unkind deed. We have suffered a loss that cannot be replaced. There was only one like her.

9th Grade Section 1

Edith Alley's death has hurt everyone that knew her. I have been closely associated with her for two years and I have never known a more helpful, willing, dependable child. She was a source of inspiration to me as well as her classmates. Many things could be said of Edith but if I could write her epitaph it would be this: "She kept her tears to herself and shared her smiles with others."
