There will be a six team league again this year. Last year's champions were the Dam Construction team.

DARROW, NOTED LAWYER, DEAD AT AGE OF 80

CHICAGO, March 17. — Clarence Darrow, champion of the "underdog" and bitter foe of capital punishment, who won international fame as a defence attorney, is dead.

The 80-year-old lawyer who once wrote "I've fought all my life for the under-dog" succumbed at his home Sunday after a long illness. Heart failure was given as the immediate cause of his demise.

The master pleader for the defence in a long list of criminal cases including that of Noland Leopold and Richard Loeb, the "thrill slayers" of little Bobby Franks in Chicago more than a decade ago, had been confined to his bed for the past two months.

Mrs. Darrow, who had been in constant attendance at her husband's bedside, his son, Paul, and Darrow's sister, Mrs. Jennie Darrow Moore, were with him when he died.

Funeral arrangements were held in obeisance pending a conference by members of the family, said Judge William H. Holly, a close friend, who announced Darrow's death.

The defender of the late Eugene V. Debs, Socialist leader, who had been accused of conspiracy during the American railway strike in 1894; of John T. Scopes, defendant in the famous Tennessee "monkey trial" and of many others whom Darrow considered as "unfortunates" had been in retirement for five years, but he never lost his interest in world affairs nor in the cause of the "under-dog."
