All Murphy, County Units Students Take Examination Friday

The results of the examinations taken by all seventh grade students in the Murphy and Cherokee County school units Friday, have been announced by local school authorities.

An excellent record was made by the participating students. Of the 270 slated to take the examination, 238 completed it and the resulting average compares very favorably with that made all over the state.

No other classes were held Friday. All school buses made their regular trips bringing all seventh grade students in the city and county units to the Murphy school building where the test was given.

Following are the results of the examination by schools, and the median score of each group:
