## **FUNDS SOUGHT** FOR COMMUNITY **BUILDING HERE**

#### Sponsors Have Met All Obligations For WPA Funds of \$11,400

Having met all obligations neces-sary to obtain WPA funds for a community building in Murphy, a group of Murphy Lions will go to Bryson City Saturday with a formal petition for the building.

The Lions club was given assurance some time ago that WPA funds would be appropriated for the building if: a sponsor could be found; land was obtained, and architectural blue prints and specifications were obtained.

Dr. E. E. Adams, secretary of the cub, stated Wednesday that all obligations had been met, and that formal application for the building would be unde Saturday. Dr. Adams is chairman of the building committee. Dr. Adams is

The total cost of the building is estimated at \$14,990. Of this am. mount the WPA will furnish \$11,400 and the community is to supply the

Dr. Adams stated that costs of labor, hauling and other work which the town could furnish on the project would be included in the spon-

The Cherokee county commissioners have agreed to be sponsors for The local school board has dennied a lot on McCall avenue or the school property road as a site for the building, and Garland Reichle the engineering data division of the TVA here, has drawn up the blue and specifications.

According to the plans the buildwill be of native stone and 110 feer by 97 feer in size. It will contain two stories,

the basement there will be a kitchen and small dining rooms. The basement will also house a small heating plant.

Adjoining the entrance there will be a modern lounge, a small office, and a playroom for children.

will be a hardwood floor that can Kappa Psi fraternity. be used as a basketball court or for a humber of other purposes. There will be seating facilities for 400 persons, and a stage at one end of the

Those who plan to go to Bryson City to present the peticion are Dr. Adams, H. G. Elkins, W. A. Sherrill

#### LAND USE SURVEY OF CHEROKEE IS MADE RECENTLY

A survey and land use plan of Cherokee county has been recently completed by Paul W. Wager, chief of the Land Use Planning section, Bureau of Agricultural Economics.

Raleigh.
Mr. Wager, who is also a member of the faculty of the University of North Carolina, Chapel Hill, was in Murphy last Saturday gathering the last of his material for the survey which is expected to be published soon.

Later it is planned to present much of Mr. Wager's material and con-

# Mrs. Woods, 81, Of Murphy, Dies Wednesday Night

Mrs. Margaret Irene Woods, 81. year-old resident of Murphy, died at the home of her daughter, Mrs. H. G. Elkins, here Wednesday night,

She had been ill for some time. and her death was discovered Thursday morning when members of the

family went to awaken her.

Funeral arrangements had not been completed but it is planned to hold the services on Friday after-noon. Peyton G. Ivie will be in charge of arrangements.

Mrs. Woods has lived in Murphy practically all her life, and was one of its oldest and best-known resi-

Mrs. Elkins is the only survivor.

#### DR. BILL MILLER WILL LEAVE SOON FOR INTERNSHIP

Dr. Bill Miller, son of Mrs. E. S. Miller of Murphy, will leave next week for Jacksonville, Fla., where he will serve his internship in Duval County hospital.

Dr. Miller received his medical de-Estrance will be on the main floor, gree on June 6 at Emory university, Atlanta, where he has studied for the past four years.

He was active on the Emory cam. main portion of the building pus, and was a member of Theta

#### Marble P. O. Now 3rd Class

The Marble post office has been increased from a fourth class postoffice to third, or presidential class, it was reported by officials Tuesday.

#### The increase in rating came through increased business through the post-office. W. J. Barton is postmaster. tures coverage of Cherokee county.

The story of a local divinator who people from seven states to his study told a woman from Kentucky just in the "old frame house on the hill" where to find a \$300 diamond she in one day. had lost, has led to one of the most

FUTURES READ, PASTS ARE SCANNED;

ALL IS TOLD BY THAT RANGER MAN

sides with "Uncle Charley" Long at his home near Ranger.

Daily, especially on Sundays, many people from this tri-state territory go to seek the "fortune teller" near the Ranger postoffice.

There they find Mr. Cole, and youngish, who talks in a very mild and plain manner. He does not pretend to "tell fortunes", and ap-

parently abhors to use the word. He claims that things "come to me". He says that when people ask him questions, he has been endowed with some n ysterious power that permits him to "look into the future" predict incidents with uncanny ability.

Is Also An Artist

Mr. Cole, who makes his living as an artist, uses the practice of divination as a side-line and makes no charge. Contributions, however, are acceptable.

There is no getting away from the influence that Mr. Cole has exerted in this n this comunity; and his reputation has even gone so far as to have drawn

Mr. Cole states that people come to interesting passtimes and enterprises him at all hours of the day and night in Cherokee county.

The diviner is Willard M. Cole, formerly of Asheville, who now reable wealth and lovedones. They ask questions about every thing under the spn, he reveals, but as might be suspected, most requests are concerned with matters of love and wealth.

> People who come to Mr. Cole with a cynical attitude toward having their "fortune told" are usually disapointed. The prognosticator is a student of psychology as well as possessing an ability "to see the future". In his half-lighted study, you state our problem. He talks it over with you. He places his lean fingers over his deep-set eyes. And gently and midly he tells you what you can expect, and which course of events it is best for you to pursue.

Predicts Many Events

All in all it's a touching process and those with the most cynical attitudes toward Mr. Cole's ability are often the most confirmed after he has talked to them-or later when his pyrognostications have had a chance to come true.
