

REUNION IS HELD SUNDAY AFTERNOON

The annual Hyatt Reunion was held Sunday, August 14 at the home of W. Hyatt on Notia river near Johnson.

This good old model Christian family settled here over one hundred years ago and reared a large family of whom are now deceased except the grandchildren. J. R. Hyatt, W. Hyatt and G. W. Hyatt, of North Carolina, H. T. Hyatt, of Akron, Ohio, and Mrs. Abbie Harbin, Knoxville, Tenn., and a host of other grandchildren.

All the members were happily gathered together and had a nice discussion of their forefathers after the dinner was served. Then the Rev. W. Hyatt delivered a wonderful sermon.

Most of the oldest relatives participated with sad hearts feeling that they might never be united together again in the land of their forefathers.

Walker School Opens Monday Aug. 8

Monday, August 8, 1938 Walker school opened with Mr. Eisa McNeill as principal. Miss Genevieve is the first grade teacher. Mrs. Vesta Roberts has charge of the second and third grades. Mrs. W. E. McNeill has the fourth and fifth grades, and Mr. McNabb teaches the sixth and seventh grades. The enrollment to date is 180.

The unusually fine cooperative spirit was evidenced by the local people when some of the parents expressed a desire to repair the school building. One room needs ceiling so that it will be more comfortable for the pupils during the winter; other of the rooms need painting. Some money has already been raised toward these necessities. The community plans a box supper to be held at the school on Thursday night, August 25th.

The teachers pledge their earnest and whole-hearted fulfillment of their duties, and with the cooperation of the parents of the community it is believed that the year will be most successful.
