

Two Killed, Three Hurt In Car Wreck

Above is shown the demolished car in which two Copperhill, Tenn. youths met their death, and three members of the Copperhill high school football team were injured. Those dead are: Carl Galloway and

Bryan Jones. The injured are: Calvin Corbett, A. J. Hughes and Billy Howell. The accident occurred three miles from Murphy as the quintet were returning from the football

game here last Friday. The car, driven by Galloway, was said to be traveling at a high rate of speed when it struck an oil truck and bounced across the road into a ditch.

E. A. Davidson, 83, Of Florida, Buried Sunday

Final rites for Mr. Edward Augustus Davidson, 83, of Murphy, who died at his winter home in Lakes Wales, Fla., last Friday morning at 9:30 o'clock, were conducted from Pattersons chapel in Atlanta, Ga., Sunday afternoon at 2:30 p. m. Burial was in Atlanta.

Mr. Davidson, former bank president here and for a number of years a hardware merchant in Gainesville and Atlanta, died after a lengthy illness.

Pallbearers were former acquaintances, of Atlanta, including Sam and Pat Dinkins, William Cole, William Crum and Arthur Christian.

Mr. Davidson was born in Murphy on May 13, 1855. As a youth he went to Gainesville and later to Atlanta where he was in the hardware business. About 20 years ago he returned to Murphy where he was president of

Two Killed, 3 Injured In Accident Near Here

Continued from front page

caused when Galloway, who was said to be driving and drinking, tried to negotiate a curve at too high a speed and struck the Pure Oil company truck which was stopped. Quinn said there would be no charges in the accident.

The car, a 1933 Chevrolet sedan, was completely demolished and is said to be one of the most torn up wrecks ever seen in this section.

According to Mr. Quinn and other persons who talked with the survivors, the car was going between 60 and 70 miles an hour. Mr. Cook, who was driving the oil truck in an opposite direction, said he saw that the car was going to strike the truck so he pulled over to the side of the road, stopped and applied his brakes. He had leaned over in the right side of the cab of the truck when the car struck it with terrific impact.

He said the light sedan literally exploded when it hit the left-front end of the truck, and hurtled across the highway 30 yards and landed in a creek bed. Blood stains and pieces of the wreckage were found as far as 40 yards away from the car.

Passing motorists and ambulances brought the dead and injured to the hospital. Dr. Hoover said Galloway was dead upon arrival, and Jones died about 30 minutes after arrival. Both suffered concussions of the brain.

Galloway, the son of Luther Galloway, a Polk County deputy sheriff, was enlisted in the U. S. Army and was home on furlough. Both he and Jones were former members of the Copperhill high school team and had come here to witness the game. The car belonged to Galloway and had formerly belonged to his brother who was killed in a similar accident near Knoxville, Tenn., several months ago.

It was reported to officials here that the car left the Murphy Fair grounds at a rapid rate of speed soon after the Murphy-Copperhill game ended, and that the boys had planned to attend a game being played at Ducktown. One man is reported to have refused to ride in the car when it left the Fair grounds.

The bodies of Galloway and Jones were removed to Copperhill to their homes Friday night for burial. The members of the football team are still confined to Petrie hospital here.

the Cherokee bank. He spent each winter in his Florida home and had been spending the past five years there.

Surviving are: his widow, of Lake Wales; two sons, Jerry W. Davidson, of Murphy, and Ed W. Davidson, of Columbus, Ohio; two grandsons, Jerry Jr., and Edward Pruden Davidson, and a brother, H. Lawson Davidson, of Atlanta.

Accompanying relatives from here to the services were: Mr. and Mrs. Dale Lee, and Mr. and Mrs. Fred Pass, of Hayesville.

Work Resumed In Gold Mines In Warne Area

Several men began work Monday morning at the Warne gold mines under the direction of Dr. J. R. Smith, of Atlanta, Ga., who is serving as superintendent. Preparations are being made to put the mines in condition for production. Equipment is to be installed in the near future. A geologist is now making studies at the mines.

A University of Tennessee freshman is looking for a soberfaced man whom she took to be a professor when he asked her to pay -5 for her "chapel seat," which she did. She later found out that chapel seats are free.

Political Situation In County Warming Up

Continued from front page

could comb it with a fine tooth comb and you couldn't find one person who hasn't attended at least one meeting.

At Andrews, Marble and Murphy during the past week the Democrats have really packed 'em in. Excellent meetings were reported with candidates and party supporters giving fine accounts of the campaign and the issues confronting their respective offices.

No more meetings are scheduled by the incumbent party, but their activities will by no means cease this week. They are expected to "deploy" as the army officers put it and shoot the works over the county during the next 11 days.

The Republicans, equally arduous in their campaigning activities, have scheduled five meetings for next week. They are: Cooper Siding, Monday night; Grandview school house Tuesday night; Marble school house, Wednesday night; Murphy court house, Thursday night, and Unaka school house, Friday night.

So the organized campaigning ends. Now every man and his candidate strikes out for himself.

Politics is definitely in the air in Cherokee county. Two strong tickets are facing each other. There are good men on each slate—men whom most all of the people like and men whose records and calibres make them hard to choose between.

And during the next 11 days of political shopping we are going to see the old political football take a beating such as won't be administered on any gridiron this year.

Library Meeting Will Feature Dr. Graham

cafeteria there for dinner at 12:30. At the luncheon an informal discussion will be held with Miss Marjorie Beal, director of the North Carolina Library commission, as leader.

An inspection tour of the dam and the village will follow at 2:30 p. m.

The meeting is being sponsored by dam, is in charge of the luncheon committee, and will make arrangements

he county commissioners, the mayors and town councils of Murphy and Andrews, the library boards and the civic clubs of the two towns and alumni of the University of North Carolina living in the district.

A publicity committee of Mrs. E. B. Norvell, chairman, Mrs. Harry Miller, Mrs. L. A. Lee, Mrs. Hall Cobb and Mrs. Tom Axley has been appointed. K. C. Wright and Jimmy Ward, both of Murphy, and a committee under Prof. I. B. Hudson, of Andrews, will be in charge of making arrangements for the tour to the dam site.

Kenneth Hayes, who is connected with the TVA training section at the for the tour through the aid of the

TVA public safety division.

A hospitality committee composed of Mrs. R. B. Wooten, Mrs. Margaret Ellis, Miss Adella Meroney, Miss Alline Richardson, Mrs. Louise Bayless, Mrs. P. J. Henn, Miss Annie Mae Townson and Mrs. Kathleen Davidson will be in charge.

Miss Entekin is requesting that all persons wishing to make the tour to the dam to get in touch with some members of the committee in charge of arrangements.

This is believed to be the first time that any president of the state university has appeared here at any scheduled meeting, and Miss Entekin anticipates many visitors from this section of Western North Carolina.

CLASSIFIED

FOR SALE—Twenty lots just outside city limits and twenty inside city limits, lots are located near the L. F. Beal home. Two and half acres corner lot 64 and No. 10 Highway just across the street from L. M. Shields. One brick store building now occupied by Murphy Market.
