## Florida City Moves To Murphy

What might be termed a small Florida exodus has moved in on Murphy. A party of 14 persons, all from Panama City, Fla. drove to Murphy in three cars, to spend a few days, and fell so in love with the town and its surroundings that they have extended their stay to two weeks and some of them are still here. They are guests at the Dickey hotel.

Their stay offers more proof of the inestimable value of word-of-mouth advertising. The "advertiser" in this instance, is Mrs. H. B. Mozley who with her daughter has been spending her Summers in Murphy for the past three years. She has been telling of the charm of the town and its climate—and fourteen of her friends decided to come and see for themselves whether or not she was "prejudiced." They now declare she didn't say enough. Every blessed one of them

vows he or she will not only come back next year, but will spread the word, and bring others.

And this despite the fact that Murphy has been experiencing heat that for this town is definitely abnormal!

The visiting Floridians have been made welcome by the townspeople. They have visited Vogel Lake and Neal's Gap, the quaint Folk School, Point Lockout, near Topton, and the various points of interest, and with each major trip, their enthusiasm increased.

If these visitors are representative of their section Murphy can't have too many of them. They are Dr. and Mrs. W. J. Blackhear, W. J. Blackhear, Jr., wife and daughter; Mrs. L. P. Latham, Mrs. Bart L. Andrews; Mr. George Williams, wife and daughter, and son, and Mr. and Mrs. H. B. Mozley and daughter.

Homer Davis returned Sunday after a months vacation at his home in Birmingham, Ala.

Mr. and Mrs. Harry Ferguson and son, Tommy, of Sylva spent the week-end with Mr. and Mrs. T. S. Evans.
