All Stars and Jones Boys At It Again--Former Wins

It looks like history is going to repeat itself in the Murphy Soft Ball League. The close pennant race recently won by the Murphy All Stars brought heated demand from the run-up Jones Boys for another series. The latter insisted that they had not through lack of merit, but through bad breaks. Next time, they said, it would be different.

Well, the new series was started, and the All Stars and Jones tribe met for the first time last Thursday. And what a game! When darkness put an end to the strife the score was deadlocked at 7 to 7.

But when they played that tie off, on Monday, the All Stars reverted right back to their old habit of grabbing the glory. With the game almost over, and the score tied again, the All Stars managed to push over a lone run which gave them the pay-off, 4 to 3. But Mister, they sure knew they had been playing.

It was a different story when the All Stars met the battered Red Sox. It wasn't a game. It was a runaway. The final score was All Stars 14, Red Sox 1.

The Jones boys got some measure of revenge for their defeat by handing a lacing to the Office Mechanics, 4 to 3; whereupon the latter turned and vented their rage on the poor Red Sox in a fake contest which ended 18 to 3.

The Sox score and averages follow:

LEADERS AT DAM TIED UP FOR RAG IN HECTIC RACE

Electricians Win From Construction; Latter Take Administration

The Electricians won a thrilling 6 to 5 game against the Dam Construction boys to go into the lead by a half game for the second half leadership, but the Dam boys came back strong against the Administration to even the count in games won and lost. The Village and Administration are tied for third place.

The all round hitting ability of the Dam Construction team has been outstanding for the second half. Eight regulars are hitting .350 or more and in Milt Varner they have the best pitcher in the league.
