

THE CHEERFUL CHERUB

It's nice to be a poet,
They know so
many rhymes;
And when they find
a good one
They can use it
lots of
times!

How Women in Their 40's Can Attract Men

Here's good advice for a woman during her change (usually from 38 to 52), who fears she'll lose her appeal to men, who worries about hot flashes, loss of pep, dizzy spells, upset nerves and moody spells. Get more fresh air, 8 hrs. sleep and if you need a good general system tonic take Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps Nature build up physical resistance, thus helps give more vivacity to enjoy life and assist calming jittery nerves and disturbing symptoms that often accompany change of life. **WELL WORTH TRYING!**

Intellectual Whetstones

As diamond cuts diamond, and one hone smooths a second, all the parts of intellect are whetstones to each other; and genius, which is but the result of their mutual sharpening, is character, too.—Bartol.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

**LABOR DAY—
Modern Industrial Workman
Gets Paid Well, Enjoys Life**

Picture Parade

ONE-FOURTH of the world's sulphur, used for everything from automobiles and weed killers to xylophones and rubber boots comes from limestone deposits far beneath coastal plains of Texas and Louisiana's delta. Working on the surface, sulphur miners, like other U. S. industrial workers, benefit from exemplary labor conditions. This year's Labor day finds the typical operator punching a time-clock (right) working 40 hours a week and earning an average of 86 cents an hour. Twenty years ago the same job paid 35 cents an hour, 70 hours a week.

This launch carries workers 10 miles through a canal from Louisiana's Grande Ecaille mine to Port Sulphur, miners' town on the Mississippi's banks. Old days saw miners walking miles to work, painfully hauling materials across the plains and swamps by plodding mule train.

Financial worries are reduced. This typical worker at Grande Ecaille has just discussed a problem with his personal manager and is receiving a loan. Employees also get group insurance, hospitalization, pensions, service bonuses and discharge compensation.

Left: Miners and their families are ardent sportsmen. Here is a regularly scheduled night softball game between Port Sulphur and Belle Chasse, nearby community. Right: Son of a Grande Ecaille employee recovers from operation at the Port Sulphur hospital.

It's good old summer time six or seven months of the year on the gulf coast and the children's swimming pool at Port Sulphur is always popular. Grownups find the gulf of Mexico, only four miles away, as good a swimming pool as it is a fishing ground for tarpon and black bass.

AROUND the HOUSE Items of Interest to the Housewife

Cretonne Curtains.—When you wash curtains or loose covers of cretonne, put a large cupful of vinegar into the rinsing water. It brightens the colors.

Colorful Berries.—To make sure berries will retain their bright color or be careful not to overcook them. If they are used in preserves store the jars in a dark place.

Sugar Sirup for Sweetening.—Use sugar sirup instead of granulated sugar for sweetening chilled beverages and punches. Boil together for three minutes two cups of granulated sugar and three cups of water. Allow the sirup to cool, then store it in a covered jar in the refrigerator.

Removing Tomato Skins.—To skin tomatoes easily, place them in a basin, pour boiling water over them and let them stand a minute. You will find that the skin can be removed without any trouble.
