## October's Children Gather At Combined Birthday Feast

There should have been a stork circling low over the Dickey house in general and the dining room in particular Tuesday evening, and the fabled bird that brings all the babies should have been chirping "hurrah for October!"

14 persons were gathered about a heavily laden table, every last one of them born in October and 5 of them born the same day. Mrs. Thelma Dickey, proprietress of the hotel was not only hostess but also was her own guest; because October is her birth month too. Tuesday was her birthday. It also was the birthday of Capt. R. E. (Bob) Williamson.

Mrs. F. O. Christopher was another of the celebrants. She was born on October 14th, and that same date marked the birth of Mrs. A. N. Parker and Mr. Jake Wilkerson.

Other children of October who gathered to celebrate were: Messrs. T. W. Kindley, Barney Farmer, W. C. Parker, Carl Whitaker, Louis Weinberg, and Glen Whitaker, Miss Nettie Dickey, and the Mrs. J. D. Brock and P. J. Henn.

Attractive place cards showed the guests where to sit at the table and turkey was the main dish. A number of lily gifts were beside each banquetter's plate.
