1941 **Dodge** LUXURY LINER

EVER enjoy an experience so exciting that you wanted to tell the world about it—but you just couldn't find words? That's how we feel when we try to picture this new Dodge Luxury Liner.

For how can mere words give you any idea of the handsome, low-swung beauty of this new Luxury Liner? Like Dodge Engineering, it has the touch of tomorrow in its streamlined loveliness, magnificent interiors, modern appointments!

And how can words do justice to that traditional leadership in safety and dependability, again so evident in this 1941 Dodge?

Witness, the rear trunk lid, so perfectly "spring-balanced" that a child can raise or lower it! Also observe the new rear window—now 47.6% larger for greater visibility "sternward"...The new Safety Wheel Rims to hold the tire to the rim even should a "flat" occur...The new Oil Bath Air

Cleaner that greatly prolongs engine life!

And now, the car that pioneered the all-steel body, equal-pressure hydraulic brakes and other vital improvements offers you Fluid Drive* ...for the first time in a low-priced car! Drop in on your Dodge dealer for a demonstration!

ENJOY THE TRIPLE THRILL OF DODGE FLUID DRIVE*

Gearshifting Takes a Holiday! You can start in high, drive in high, stop in high...and start again in high without shifting gears!
A Thousand Different Speeds! Drive from one mile an hour to top speed without ever shifting!
The Smoothness of Oil! Power is transmitted to rear wheels through a cushion of oil, giving unbelievable smoothness and longer car life.

*Fluid Drive optional at slight extra cost

"Knot Klipper"

This axe, available in both single and double bit, is intended to be the best of the best. It is hand forged with welded blades made from the best grade reined axe steel tempered by the most accurate and scientific method. Furthermore, each axe is tested before leaving the factory. Handles are of first quality second growth hickory.

The "True American" axe, also to be had in single and double bit, is a quality blade made by the manufacturers of the famous "Knot Klipper" axes; but it is priced to sell more reasonably.
