**Important for Women**

A weak, run-down condition often gives a foothold to functional dysmenorrhea, causing much periodical distress from headaches, nervousness, cramp-like pain for women. CARDUI so often helps in such cases, for it sharpens appetite, boosts flow of gastric juices; so improves digestion, helps build physical resistance. CARDUI, taken a few days before and during periodical distress. Used 50 years.

# SOUTHERN HOUSEWIVES TELL ALL

(Reading time: 1 min. 20 sec.)

**1.** What do housewives think about Southern Twin Pack Bread in the white and 2-in-1 loaves? The Southern Bread folks wanted to know, so they employed a number of expert interviewers to get first hand information. Follow the story and witness one of hundreds of personal interviews.

**2.** Interviewer: How do you do, Madam. I'm trying to find out some facts about Southern Twin Pack Bread. Do you find that because each half of Southern Twin Pack Bread is separately wrapped it stays fresh longer?

**3.** Housewife: Oh, yes, it stays fresh much longer—but there's more to it than that. It's very economical—especially for a small family like ours. With Southern Twin Pack Bread I only have to open half a loaf at a time. The other half remains sealed and fresh as a new loaf.

**4.** And that's a fact that thousands of housewives have found to be true. Because the halves of each loaf of Southern Twin Pack Bread are individually wrapped, they are like two separate loaves of bread. When you use one half loaf, the other half retains the oven-freshness until you are ready to serve it. Next time you buy bread, remember there's no stale bread waste when you buy Southern Twin Pack Bread. Try a loaf, today. Now extra healthful because it is enriched with Vitamin B<sub>1</sub>.
