Health Dept. to Have Prenatal Clinic Feb. 3

The County Health Department will establish a prenatal clinic at the school. Children from 6 months to 1 year old will be accepted for an examination. The first clinic will be held Monday, February 3, from 1 to 4 p. m.

P. T. A. NEWS

The P. T. A. held the regular monthly meeting Thursday evening with Mrs. Edna Gschwind, president, calling the meeting to order.
 Due to the illness of both the program chairman and secretary, Mrs. Gschwind had charge of the program with Miss Kisselburg substituting for Mrs. Webb, secretary and treasurer.
 After welcoming the members and friends who were present, old business was discussed and new business brought before the body. It was decided to serve hot cocoa with the plate lunches instead of milk. The children who want milk will be required to pay cash for it so there will be enough money to pay the monthly bills.
 Plans were discussed for planting a 5 acre garden and raising vegetables for the lunch room. Mrs. Verdie Wise gave a report on the lunch room. Over 9,000 lunches have been served since October 22.
 Miss Anna Lou Keenum who was a victim of infantile paralysis, several years ago, urged those present to help in every possible way to make the campaign against this disease a success.
 The audience was honored by an address from Bass Carroll, teacher in the Murphy High School. He compared the consolidated school system of North Carolina with the State Highway system. He told of the meager beginning of both, starting with free labor, then advancing until they are both now taken care of by taxes.
 Election for the school committee was held. This committee will strive to make the school better and more beautiful. Those on the committee will be Mrs. Gschwind, Jack Webb, Guy Suit, Mrs. Felix Hill and Clay Allen.
 Refreshments were served.

CLUB NEWS

The bridge club met Tuesday afternoon with Mrs. Elmer Raley. Mrs. Carroll Pitts was joint hostess. The Womans Club will hold the
