MURPHY DEFEATED IN DOUBLEHEADER BY CLAY CAGERS

The Murphy invasion of Hayesville last Friday was a complete failure as the locals went to a double defeat at the hands of the Clay countians.

In the opening contest Murphy sorely missed the services of a regular forward and as a result dropped their second contest of the sesson to the Hayesville girls to the tune of 34-24. Nina Jones was unable to accompany the team due to illness and her rebound work was greatly missed. Hayesville grabbed an early lead and were never headed although brief flurries by Murphy gave faint hopes new and then.

Murphy's boys started off like a house afire to run # 6 to 2 lead before Hayesville could get started. The a 7-6 lead and thereafter the game was all Hayesville. Many substituand the game ended with the second stringers of both teams fighting it out for the honors.

The Murphy girls had an excellent pportunity to take over first place in the Tri-State last week by defeating Hayesville. Ellijay was defeated the night before and Mineral Bluff three evenings later. By winning from Hayesville the locals would have had a record of seven victories and one loss, the same as Ellijay and half a game in front of Mineral Bluff. The absence of Nina Jones proved disastrous to the hopes of the girls and defeat was not unex-
