The Salutation of the Dawn

Listen to the exhortation of the dawn!
 Look well to this day! For it is life:
 The very life of life.
 In its brief course lie all the verities
 And realities of your existence:
 The bliss of growth,
 The glory of action,
 The splendor of beauty;
 For yesterday is but a dream,
 And to-morrow is only a vision;
 But to-day well lived
 Make every yesterday a dream of
 happiness,
 And every to-morrow a vision of
 hope.
 Look well, therefore, to this day!
 Such is the salutation of the
 dawn.

America's automotive service men are playing an important part in the nation's war effort. It is their job to "save the wheels that serve America."

The Automotive Mechanic of Yesterday Is the VICTORY SERVICE MAN of Today

Help him to help you

"SAVE THE WHEELS THAT SERVE AMERICA"

by getting a skilled service check-up regularly

Take the word of millions:

MORE PEOPLE GO TO CHEVROLET DEALERS FOR SERVICE

than to any other dealer organization

Just how important the automotive mechanic's work is to the nation will be clear to all who consider the following facts*:

- Automobiles and trucks form the sole practicable means of transportation for war workers and war materials in many communities throughout America.
- In some sections, 78% to 100% of the workers drive by automobile to vital war plants.
- 2,314 U. S. cities, with a population of 12,524,000, depend on private cars for transportation;

54,000 communities depend entirely on motor vehicles.

- Six out of every ten farms use one car or more; 67% of farm car mileage is necessity driving.
- More than 65.2% of all war plants reporting in Michigan (a typical war production state) depend on trucks to haul their incoming and outgoing freight.
- Trucks haul nearly 100% of the milk supply of most large cities—and 58% of all livestock marketed in the U. S.
- Trucks are the sole transportation system serving our 54,000 communities not reached by railroads.

The automotive mechanic—the trained Chevrolet Victory Service Man—is the lifeguard of America's millions of cars and trucks. Help him to help you and America by getting a skilled service check-up at regular intervals.
